**ELITISM.** The "anointed" men and women of god whatever they feel to say - and there is NO forum for evaluating it or spiritually discerning it - except for the public internet. You cannot ask questions in the meetings, for that would bring disorder. You cannot ask questions AFTER the

Former president vulnerable to 'torture' prosecution, says US group after Swiss trip cancelled amid protest and arrest threats<sup>1</sup>

[Human rights](#) groups have vowed to track George W Bush round the world after their success in forcing him to [cancel a trip to Switzerland](#) amid concerns over protests and a threatened arrest warrant.

Katherine Gallagher, a lawyer with the New York-based Centre for Constitutional Rights, said: "The reach of the convention against [torture](#) is wide. This case is prepared and will be waiting for him wherever he travels next.

"Torturers, even if they are former presidents of the [United States](#), must be held to account and prosecuted."

Although Bush has travelled freely round the world since leaving the White House in January 2009, human rights groups believe he is vulnerable to prosecution after admitting in his autobiography last November that he authorized water boarding and other interrogation techniques.

"Water boarding is torture, and Bush has admitted, without any sign of remorse, that he approved its use," said Gallagher, who is also vice-president of the International Federation for Human Rights.

Bush's staff, as well as US embassies around the world, will have to factor into their planning of future trips whether a country is a signatory to the convention on torture, as most countries are, which should at least theoretically trigger near-automatic action by legal authorities, and negotiate with governments to ensure there will be no arrest warrants. They will also seek assurances that Bush has diplomatic immunity.

Since the arrest of the late Chilean dictator Augusto Pinochet in London in 1998 over alleged murders, senior politicians linked to war, internal conflict and oppression have had to be more careful in their travel plans.

The Centre for Constitutional Rights, backed by other human rights organizations, has published a 2,500-word "indictment for torture" against Bush. It was to have been filed with a Swiss court today, but that plan had to be dropped when Bush cancelled a visit to Geneva on Saturday to deliver a speech. Under the original plan, a criminal complaint would have been brought on behalf of two former Guantánamo prisoners who claim they were tortured.<sup>2</sup>

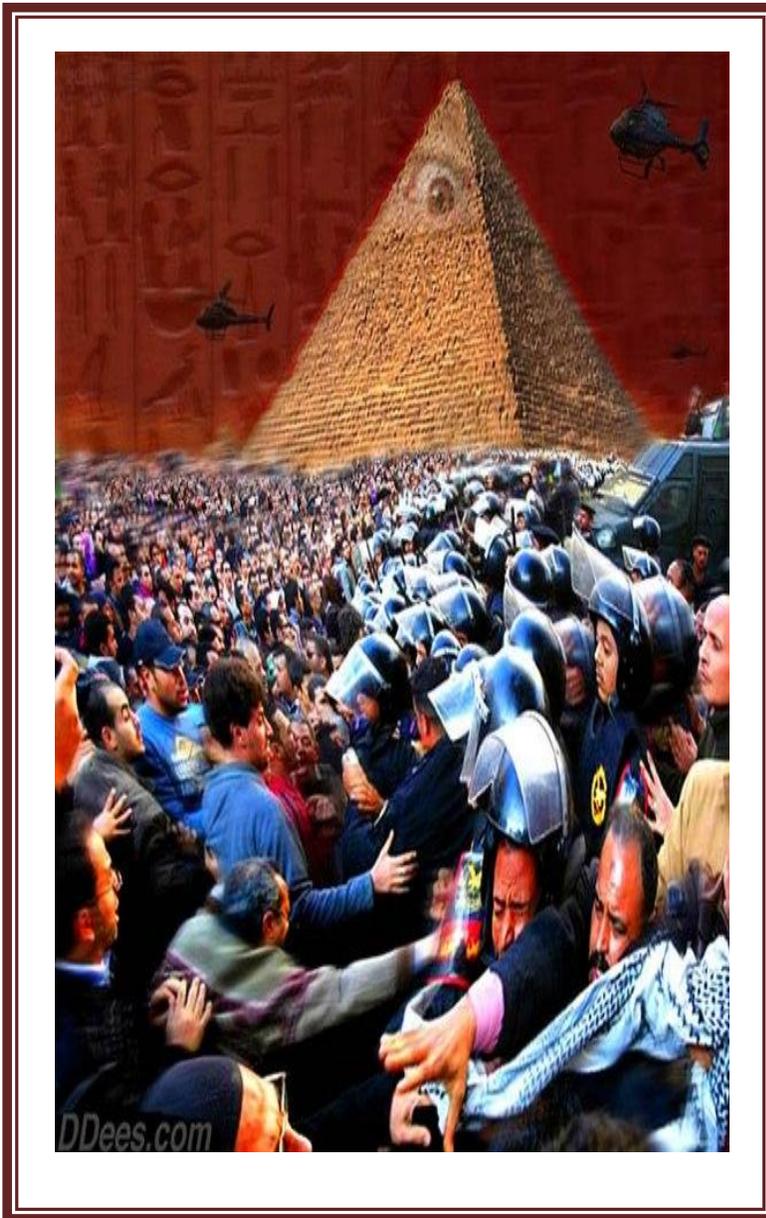

A previous article addressed torture as official US policy under Bush, accessed through the following link:

<http://sjlendman.blogspot.com/2008/07/torture-as-official-us-policy.html>

**Rep. Mike Pence (R-Ind.) speaking at CPAC added that “the American people walked away from us, so now we’re in the wilderness.”**

I can tell you that you are not coming out of the wilderness unless you get some back bone and become true America resisters of the great socialist agenda that is pounding you in your faces.

## WORLD DEMONIC POWERS LEAD THE CHANGE

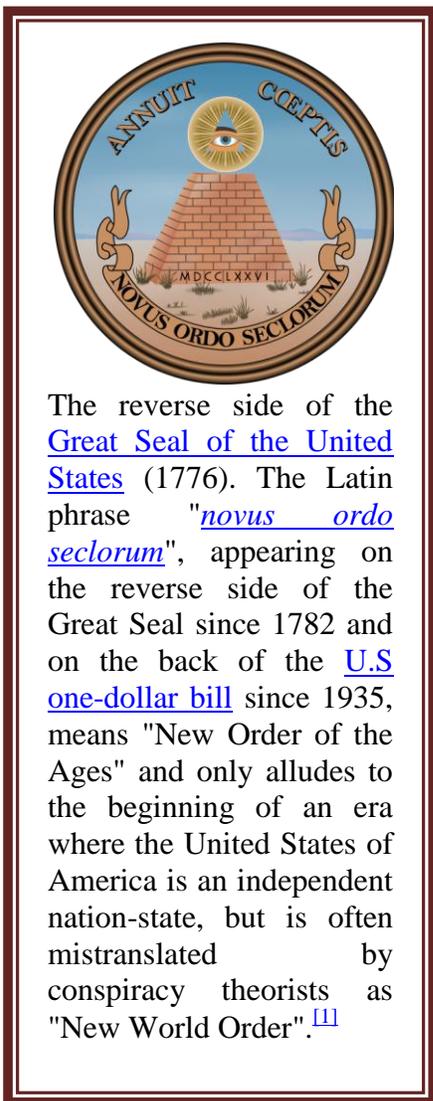

Mrs. Jesse Penn-Lewis defines the satanic forces described in Ephesians 6:12 as: Principalities - force and dominion dealing with nations and governments. Powers - having authority and World Rulers - governing the darkness and blindness of the world at large. Wicked Spirits in heavenly places, the forces being directed in and upon the Church of Jesus Christ; they operate in wiles, fiery darts, onslaught, and every conceivable deception about doctrine which they are capable of planning."<sup>1</sup>"All teaching originating from deceiving spirits weakens the authority of the Scriptures; distort the teaching in the Scriptures; add to the Scriptures the thoughts of men; or put the Scriptures entirely aside . . . The test of all thought and belief therefore is its harmony with the written Scriptures in its full body of truth, and the attitude to the cross and sin."<sup>3</sup>

This clearly shows that these demons are powerful ruler demons as shown in (Eph. 6:11-12), **“Put on the whole armour of God,**

**that ye may be able to stand against the wiles** (schemes/trickery) **of the devil. 12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”**

Principalities - Strong's 746 "arche" defined as: chief in various applications of order, time place or rank (cf, the English words: architecture, archangel) (Rom. 8:38, Eph. 3:10, Col. 1:16, Col. 2:15, Titus 3:1).

The reverse side of the [Great Seal of the United States](#) (1776). The Latin phrase "[novus ordo seclorum](#)", appearing on the reverse side of the Great Seal since 1782 and on the back of the [U.S one-dollar bill](#) since 1935, means "New Order of the Ages" and only alludes to the beginning of an era where the United States of America is an independent nation-state, but is often mistranslated by conspiracy theorists as "New World Order".<sup>[1]</sup>

Powers - *Strong's* 1849 "*exousia*" defined as: mastery; magistrate, superhuman, potentate: delegated influence, authority, and jurisdiction. (Elk. 12:11, Rom.13:1, 2, Eph. 3:10, Col. 1:16, Col. 2:15).

Rulers *Strong's* 2888 "*kosmokrater*" defined as: an epithet of Satan, a world ruler, (only use of this word in the NT). From 2889 (orderly arrangement) & 2902 (to use strength; i.e., to seize or retain).

High - *Strong's* 2032 "*epouranious*" defined as: above the sky; celestial; heavenly.

### SATAN'S ARMY

Satan's army is shown in (Rev. 9:1-9); these supernatural beings are described as powerful warriors, terrorists and ready to kill en masse. They have shapes, forms, and minds. They have supernatural life to perform their evil deeds. They are described as an army that was being directed by the King Hell, Abaddon.

**“And they had hair as the hair of women, and their teeth were as the teeth of lions,” And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle. 10 And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months. 11 And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is**

**Abaddon, but in the Greek tongue hath his name Apollyon. 13 And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God.”**

All teaching originating from deceiving spirits weakens the authority of the Scriptures; distort the teaching in the Scriptures; add to the Scriptures the thoughts of men; or put the Scriptures entirely aside . . . The test of all thought and belief therefore is its harmony with the written Scriptures in its full body of truth, and the attitude to the cross and sin."<sup>1</sup>

These are the paranormal influences that operate behind the human agents who are working bring in the world power to establish the Seat of Satan in order to rule the world.

## CHANGE WE CAN'T BELIEVE IN

So, it was show biz as usual for the weak, so-called “Conservatives at the annual CPAC gathering. Like Nero playing his harp while Rome burned, The Conservative Republicans continued to play the outlandish tune of politics as usual while America and the world is crashing into an utter state of bewilderment and despair. People in our country have lost their homes, retirement pensions, old people are trying to find jobs that are no longer available because our elected officials voted to send our manufacturing base to China so that its pampered CEO’s could get cheap, enslaved labor while the Democratic leadership grovels at the feet of union leaders whose people are jobless because we cannot compete globally.

Friends, our entire manufacturing base is gone and we are now selling our ports and infrastructures to foreigners while the America’s no longer can afford to buy the cheap, poisoned trinkets and the polluted food send into our nation by people who hate us.

Then, our banks are given massive bailouts and the systems are still stuck in the mud of Congressional confusion because the money was spent by the greedy CEO’s buying failing banks and gold. Our Automotive Companies have been nationalized after massive bailouts are still in mayhem and are going to move to Brazil.

Meanwhile, Congress and the Senate has passed two large so-called “Stimulus Bills” and another in the making, designed to break the Constitutional back of our nation and enslave our people.

The US was hit by its most brutal slump in a quarter of a century at the end of last year as consumers and businesses reined in spending, fuelling fears that the world recession may be deeper than already feared.

In the interim, conservatives aren’t sure who the Republican presidential frontrunner is in 2012. They disagree over how sharply to attack President Barack Obama and on the question of whether a back-to-basics approach is the path back to majority.

- Conservative **icon Newt Gingrich**, the former House Speaker, railed against the “Bush Obama continuity in economic policy” and the “Bush-Obama big spending program” in a speech Friday.
- Former **Mitt Romney** said, “I wish the president would have laid [a stimulus package] out before he left office, so that in September, October, November, December, there would have been a stimulus plan ”
- Former Arkansas Gov. **Mike Huckabee**, like Romney an unsuccessful candidate for president in 2008, pointed to the Bush administration’s failed response to Hurricane Katrina in 2005. “You know what kind of conservatives we need most? Competent

conservatives,” Huckabee said in a speech Thursday. “It’s when we lose our competence, that Americans lose their confidence.” “We’re no longer Reagan’s shining city on a hill; we are the ruined city by the sea,” he added.

- **Sam/Joe Wurzelbacher**/Plumber was, as the Politico reported, "a headliner at a Thursday panel titled 'Conservatism 2.0.' " A *headliner*, mind you: an itinerant, "Man, this CPAC thing is crazy," **observed** Mr. Samuel Wurzelbacher, a.k.a. Joe the Plumber, to fellow attendee Mike Huckabee -- and that's probably the sanest thing we'll ever hear Sam/Joe utter.
- **Ann Coulter** – American political commentator, syndicated columnist, and best-selling author. She frequently appears on television, radio, and as a speaker at public and private events. Known for her controversial Show business as usual.
- **David Joel Horowitz** is an American conservative writer and activist. The son of two life-long members of the Communist Party, and a former supporter of Marxism as well as a former member of the New Left in the 1960s, **Horowitz** later renounced his "left-wing political..
- Key note speaker, **Rush Limbaugh**, scheduled to bellow and bray at 5:00pm EST, then -- get this -- receive at 5:30 the "Defender of the Constitution Award." (America's Constitution?) Limbaugh said, “President Barack Obama wants to “punish” those who succeed and who helped make America great,” radio talk show host Rush Limbaugh told a wildly cheering crowd at the Conservative Political Action Conference (CPAC) on Saturday.

**Not a word was spoken concerning the Great Deception of letting our Constitution fall to the ground while allowing, unopposed, the usurper, Now, so-called President of the United States take the Oath to defend our Constitution by the Chief Justice of the Supreme Court.**

“We can take this country back. All we need is to nominate the right candidate,” Russ said.

What ever happen to the idea of a solid American agenda? Just before Limbaugh spoke, CPAC released the results of its straw poll of attendees. For the third year in a row, Mitt Romney won the poll. Of the 1,757 conservative activists who cast votes, 20 percent favored the former Massachusetts governor and presidential candidate. Romney was followed by Louisiana Gov. Bobby Jindal, with 14 percent of the vote. Texas Rep. Ron Paul and Alaska Gov. Sarah Palin each received 13 percent.

With the exception of, Gov. Jindal, there simply were no new faces to spread the news that Republicans deserve to be heard. Jindal definitely is no competition to the” Great Orator of the century,” that even conservative talk show hosts compares to Ronald Reagan. However, everyone has noticed that Obama cannot speak well without a monitor.

America is simply not looking for yesterday's disastrous Republican politics of showboat characters of self deceit of pride. There's basically nothing new; missing are the new showcase of new blood fueling the revolutionary ideas needed to save the vanquished Republican Party.

### ***AMERICAN LIBERAL POLITICAL WOMEN LEAD IMMORALITY INTERNATIONALLY***

The issues of the wicked witch from the west, creating and ramming through the largest, secretive, socialist agenda of the century was barely mentioned. The 850 trillion dollar "Stimulus Bill was pushed through by the former President Bush, (where was he hiding?) **Henry Merritt "Hank" Paulson Jr.** **United States Treasury Secretary**, and **Federal Reserve Board:**

**Chairman Bernanke** were totally ignored.

***NOT CONSERVATIVE!***  
**United States Secretary of State,**  
**Condoleezza Rice**

1. These measures gave the new usurper dictatorial powers that most Communist dictators only wished that they had when they ruthlessly ruled the enslaved sheep of their countries.... Oh yes, what about the evil witch from east, Hilary Clinton, Secretary of State, now the guardian of our peace and safety... She must give every thinking person a false security blanket chill while trying to sleep at night.
2. The absence of two of the party's most recognizable conservatives, Gov. Sarah Palin (R-Alaska) and Gov. Bobby Jindal (R-La.), only added to the uncertainty since CPAC has traditionally served as an early proving ground for GOP presidential contenders and their ideas.

John Derbyshire, a *National Review* contributing editor writing

[this](#) for *The American Conservative*:

Why have we allowed carnie barkers to run away with the Right?

Did Limbaugh, Hannity, Savages, and Ingraham lead us to this sorry state of affairs? They surely did. At the very least, by yoking themselves to the clueless George W. Bush and his free - spending administration, they helped create the great debt bubble that has now burst so spectacularly....

In place of the permanent things, we get Happy Meal conservatism: cheap, childish, familiar. Gone are the internal tensions, the thought-provoking paradoxes, and the ideological uneasiness that marked the early Right.

However much this dumbing down has damaged the conservative brand, it appeals to millions of Americans....

If conservatism is to have a future ... it will need to listen to more than the looped tape of lowbrow talk radio.<sup>4</sup>

In the meantime, hundreds of important issues are ignored:

\* **Major General says president's eligibility needs proof**

Obama's popularity is dropping like a brick. American people are waking up concerning that Obama's not a liberal Democrat but he a Socialist. Also, many are very concerned about his "Change rhetoric," translates simply to his puppet submission to the same inside government of G.W. Bush, such as Henry Kissinger, the Rockefellers, plans to rule the world.

Rep. Bob Latta, an Ohio Republican, told WSPD AM in Bowling Green that when he looked at the latest cover of Newsweek, he was "looking for the hammer and sickle someplace on there."

Newsweek's latest issue declares in big bold type: "We Are All Socialists Now" and compares the current political landscape in this country to European socialism. "If you want government to take everything, if you want government to take more and more over with the banks, more of the industries, all of a sudden you're going to have a government auto czar, right there, right down the line, that's socialism," said Latta.<sup>6</sup>

Mr. Latta has it backwards — the government is not taking over the banks. In fact, the banks long ago took over the government.

European socialism is the model: more precisely, the globalist European Union. It is not the sort of socialism one reads about in political science books — a broad set of economic theories of social organization advocating public or state ownership and administration of the means of production and distribution of goods, and a society characterized by equal opportunities for all individuals, with a fair or egalitarian method of compensation.

It has nothing to do with the egalitarian distribution of wealth. It has to do with the in egalitarian distribution of wealth upward, to the bankers and transnational corporations. It is more akin to National Socialism, that is to say fascism.<sup>7</sup>
