## TRUMP'S NEW AMERICAN REVOLUTION

## TRUMP RESTORES THE CONSTITUTION OF AMERICA!

UNITED STATES is a Corporation - There are Two Constitutions – Sovereignty <sup>i</sup>

The Bank of England which is the House of Rothschild (Richer than all people on this planet combined) owns the UNITED STATES (a corporation) This control must be ended! This "evil twin" Constitution & the International Central Banking Cartel (Federal Reserve) . <sup>ii</sup>

[jedifrogmstr Odin-son3 months ago](#)

People these days are totally ok with the by-product of the act of 1871, they seem to love paying taxes through the nose they also love property tax!! The act of 1871 will eventually lead to a deadly reckoning to rectify and restore the true Republic!! I may be too old to fight in that battle, in the meantime, I try to help people pull their heads out of their asses and warn them about THE ACT OF 1871. <sup>iii</sup>

YOU Are a Share of Stock in The Corporation -- Anita Whitney... We are governed by a system of corporate contracts which have usurped the power of our "representative government". Our corporate government has turned overtly tyrannical because it no longer represents the people - it's a corporation and the board of directors serve the owners of the corporation. You and I are merely shares of stock in the corporation IF we allow it to be so. Anita Whitney from anticorruptionsociety.com joins me to discuss all of this and more. <sup>iv</sup>

It is over! The United States Corporation EXPIRED ON MAY 1, 2017!

## **TRUMP REVOLUTION**

The people rose up and prayed and worked for a change. Donald Trump stepped forward and gave up his life as a billionaire and became the people's servant. He has become the 45 President of the America! God bless America.

The author of "The Trump Revolution" contends that in the age of unconstitutional government, the best liberty lovers can look to is "action and counteraction, force and counterforce in the service of liberty." Until such time when the individual is king again, and a decentralized constitution that guarantees regional and individual autonomy has been restored—the process of creative destruction begun by Mr. Trump is likely the best Americans can hope for. A close reading of "The Trump Revolution" will reveal that matters of process are being underscored. Thus, the endorsement over the pages of "The Trump Revolution" is not necessarily for the policies of Trump, but for The Process of Trump, the outcome of which might see a single individual weaken the chains that bind each one of us to an oppressive, centralized authority and to the system that serves and sustains it. "The Trump Revolution: The Donald's Creative Destruction Deconstructed" takes the reader through Trump's political progression in real time, when many of the book's essays were penned. The author galvanizes concepts in American political theory—such as John C. Calhoun's idea of a concurrent majority and historian David Hackett Fischer's notion of the omnibus candidate—to bolster her case

that the Trump revolution is the last heave-ho of America's historic, founding majority and those who identify with it and value its legacy.<sup>v</sup>

## THE GLOBALIST DESTROYER OF THE WORLD

### The Destroyer's Work is Over!

The Word Antichrist is five times in the New Testament; all in the Epistles of the Apostle John, (I Jn. 2:18, 22; 4:3; II Jn. 7). In John's letter's he was primarily interested in doctrinal error of denying the person of Jesus Christ. The most commonly used, most familiar title for the final world ruler is called the Antichrist; against Christ! John stated that even in his days false teachers had arisen and were denying Jesus Christ and deceiving many people, (I Jn. 2:18). *Obama is not the chosen Illuminati Antichrist; he was their chosen puppet to destroy America. He failed! The Man OF Sin (2 Thess. 2:1-4) "Now we beseech you, brethren, by the coming of our lord Jesus Christ, and by our gathering together unto him, 2 That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. 3 let no man deceive you by any means: for that day shall not come, except there comes a falling away first, (gr. apostasis) and that man of sin be revealed, the son of perdition; (who will attempt to usurp the power of god) 4 who opposeth and exalteth himself above all that is called god, or that is worshiped; so that he as god sitteth in the temple of god, shewing himself that he is god. Obama is not a god; he is a man that is a son of Satan.*<sup>vi</sup>

Albert Pike and Three World Wars Albert Pike received a vision, which he described in a letter that he wrote to Mazzini, dated August 15, 1871. This letter graphically outlined plans for three world wars that were necessary to bring about the One World Order, and we can marvel at how accurately it has predicted events that have already taken place. There is no doubt that Obama was chosen by his puppet masters, the world elite, global cabal to destroy America, its Constitution, its national sovereignty, its financial security, leading it to WWII to destruction.

## THE PLANNED WORLD WAR III

**ABADDON ~ APOLLYON THE SPIRIT OF THE ANTICHRIST copyright  
October 22, 2007 Dr. Pat Holliday, PhD. vii**

World War 3 Timeline These are, I believe, the elements of the planned Third world war:

Prelude - The events leading up to the start of world war Three, including Sept 11, 2001.

Act 1 - The Middle east. widespread conflict to bring the entire region into the flames of war, possibly triggered by Iran or militants in Pakistan using North Korean supplied nuclear arms. The first Scene in this act is the United States invasion of Iraq on March 20, 2003. Act 2 - Israel at war -- against her Arab neighbors, possibly Palestine. a Palestinian State will be established, so that all Israelis will be fully separated from Palestinians (listen out for mention of a 7-year treaty to be confirmed by a world leader - probably Bush), only for Israel to viciously attack Palestine shortly thereafter. Act 3 - far east -- "Hair-raising nuclear confrontation that threatens mankind's existence" - Peter Lemesurier, author of *The Armageddon Script*, p. 223, written in 1981. includes China invading Taiwan and a nuclear eruption on the Korean Peninsula. Act 4 - erosion of Confidence in 'The System' so severe citizens will be panicked into giving up liberties and Constitutional form of government. **The plan calls for the dissolution of the US Constitution, triggered by a significant enough 'terrorist' attack.**

The ultimate intent is to introduce a global government and one-world religion. Act 5 - The collapse of the US, and other western economies and morals. Act 6 - Significant population reduction using natural and man-made disasters. Curtain. who can tell how this war will end?

Both Biblical prophecy and the illuminati plan state that Israel is the key. The Third world war is planned to begin when Israel goes to war against her Arab enemies. Then and only then will all the other elements begin to occur, and they will occur in rapid succession.

The plan is to have one disaster following another in such rapid succession that, before people can mentally and emotionally handle one disastrous news event, they will be hit with another. It is also true to say that until all the elements for WW3 are in place, the plan will not commence.

While it would be naive to suggest a specific timeline for the events leading up to and including World War 3, we do know that the plans for World War 3 are well advanced, and our leaders involved in this secret plan are waiting only for the right signal before all-out war begins.

We are in the last stages of the preparation to so globalize the world that the Masonic New Age Christ (Antichrist) can appear to receive all the political and economic power of the world's rulers. This is the Illuminati plan and Biblical prophecy (Revelation 17:12-17). 72<sup>viii</sup>

## MURDER AMERICA

But even if this magical holy place called Eden exists, these evil men are driven to destroy the old world and selfishly destroy everything holy. But at least they can't destroy the real, true Eden. I think their goal is to eventually move to these existing alternate realities/dimensions, and finally live in Eden. Have some of the elitist already located the Garden of Eden and have

partaken from the Tree of Life? What it means to you and what it means to me? Rothschild's Choice: Barack Obama and the Hidden Cabal behind the Plot to Murder America "Chosen by hidden superiors, we discover that President Barack Obama is heir to a terrible Master Plan conceived long ago and now being lethally implemented. Barack Obama has become the ultimate instrument in a dark plot to deconstruct and 'murder' America."

## **WW111 GREAT DESTRUCTION OF AMERICA**

Left Panel in United Nations Mural, after the WWII Great Destruction America and the world are considering the face the greatest deception and delusion the world has ever seen. Satan's psychopaths want to begin WWII to enter their imagined perfect New World Order. The entire New World Order is the spiritual force behind the political events that will bring about the single position through which the world will be run. They are the thoughts and ideas of people introduced to others who agree to put it to practice. I believe this force's power is centered in the European Union (political beast), Vatican (spiritual rider of the beast), and Islam (spiritual tool to bring about change through fear), but not all news points to a specific place or nation.

End of the Age "Tell us . . . what will be the sign of your coming and of the end of the age?" (Matthew 24:3), Jesus responded, "And you will hear of wars and rumors of wars" (Matthew 24:6). Because of Jesus' words in this passage, whenever there is an explosion of conflict, especially near Israel, many people begin to wonder if the new war is a sign of the end times. If only people would read the rest of Matthew 24:6—. "See that you are not alarmed, for this must take place, but the end is not yet" (emphasis added). 6 Understanding Jesus' statement about "wars and rumors of wars" to mean that warfare is a sign of the end times is the exact opposite of what He intended. Jesus was instructing us to not allow wars or rumors of wars to alarm or concern us, because "the end is not yet." Similarly, Jesus spoke of false Christs (Matthew 24:5), famines and earthquakes (24:7), persecution (24:9), apostasy (24:10), and false prophets (24:11), warning that "all these are the beginning of the birth pains" (24:8). 7

## Oprah Calls Obama "The One"

BY [IEN CHUNG](#) IN [NEWS](#) ON DEC 9, 2007 11:46 AM

Oprah Winfrey introduced one of her favorite things people at what the [NY Times called](#) "the largest spectacle of the campaign cycle" - the Oprah for Barack Obama rally in Des Moines, Iowa. Winfrey said, "For the very first time in my life, I feel compelled to stand up and to speak out for the man who I believe has a new vision for America," and told the audience of 15,000 said, "I am here to tell you, Iowa, he is the one. He is the one!"

Winfrey, who was introduced by Obama's wife Michelle, also said:

“If we continue to do the same things repeatedly, I believe we get the same results...When you listen to Barack Obama, when you really hear him, you witness a very rare thing. You witness a politician who has an ear for eloquence and a tongue dipped in the unvarnished truth...<sup>ix</sup>

## Restoring America's leadership and security

*President Trump's political revolution points a way forward*

### **PRESIDENT TRUMP: THE NEW BEGINNING WITH THE OLD END**

There is no question that on Nov. 8, 2016 we had a political revolution in America. Over 63 million Americans had had enough of President Obama's "fundamental transformation" of America. His embrace of the progressive socialist agenda with its Marxist roots, coupled with his attempt to force the spread of Islam on our Judeo-Christian culture, resulted in not only a failed domestic policy but also a disastrous foreign policy. His actions have left the Middle East in total chaos in addition to creating the greatest strategic instability throughout the world since WWII.<sup>x</sup>

The anarchy displayed by the leftist-progressive cabal today, supported by the mainstream media, to undermine President [Trump](#) carrying out his campaign promises is nothing but a sham. It is funded by seditionists like George Soros whose goal is to destroy not only our Constitution but our way of life. Compounding this problem is the fact that the leftist-progressive cabal has joined forces with the [Muslim Brotherhood](#). We should never forget that the [Muslim Brotherhood](#)'s creed is to destroy America from within by their subversive "civilized jihad" tactics and replace our Constitution with the seventh-century draconian Islamic Shariah law.

This is a known fact that was proved during the Holy Land Foundation Hamas terrorist-funding trial in 2008. The [Muslim Brotherhood](#) should be designated a terrorist organization and prosecuted for sedition. We know that its penetration of all our government agencies started in the 1960s, but was greatly accelerated during the Obama administration.

The penetration of our government agencies by foreign agents goes back many years. Its roots began with our recognition of the Soviet Union by President Roosevelt in 1933. This recognition opened the floodgates for our penetration by Communist undercover agents and fellow travelers who embraced Communist propaganda. They ignored the atrocities and mass-murders Stalin committed to create the so-called perfect "workers' paradise." The conspiracy tactics employed by the Communist undercover agents to influence our entry into World War II, our conduct of

operations and post WWII global restructuring — e.g., U.N., IMF, et al. — was nothing short of brilliant. <sup>xi</sup>

We must put the BRICS initiative into a broader context. It is just part of a geopolitical tectonic shift which started decades ago. We have seen a constant outflow of physical gold from the West to the East. At the same time, the West has lost the economic war, and, consequently, the focus now turns to the financial system. China dominates the world economy and has displaced the U.S. as the world's most formidable economic powerhouse," he told RT. <sup>xii</sup>

## **RT: Russia-China Gold Standard Would Bring to End Dollar's Dominance**

The New New World Order? Five Nations forming their Own World Bank

The BRICS counties are considering starting an internal gold trading platform, which will mean an end to the West's petrodollar dominance, **a precious metals expert told RT.**

The amount of physical gold traded rose 43 percent to 24,338 tons in 2016 from a year earlier, said Claudio Grass, of Precious Metal Advisory Switzerland.

**Russia and China have been in cahoots for quite some time now. Not only have both countries developed a payment network to rival SWIFT, they are also looking to rid of the US Dollar. A new alliance between both nations will focus on a gold-backed trading standard. Bypassing the US Dollar is quite an ambitious goal, but it is not entirely impossible either.**

A few weeks ago, the Russian Central Bank opened an overseas office in Beijing. That is quite a significant development, to say the least. A stronger Beijing-Moscow alliance can create a major break-up in the financial sector, that much is certain. Strengthening economic ties between both nations is nothing new, yet it goes to show bigger things are at

play behind the scenes. There is even a rumor of how both countries want to introduce a new gold-backed trading standard.

Anyone who has followed the history of the US Dollar will know the currency was decoupled from the gold standard. Although financial experts have claimed this “mistakes” should be undone, protests have fallen on deaf ears so far. This new alliance between China and Russia aims to take advantage of the weakened state of the US Dollar. In fact, it becomes possible to bypass the world’s leading currency altogether. Doing so will have catastrophic consequences for the global financial ecosystem. <sup>xiii</sup>

“I am too from BRICS. Sure China-Russia will take all of us for a ride! China depends on USA for its exports. Its economy will collapse if American demand vanishes. It exports non-tech generic items that any other country can supply. Russia is poor country with rich natural resources. Controlled economies do not dream to have is currency as a global reserve currency. China will become bankrupt if America stops Chinese imports. India is waiting in wings to replace China.” <sup>xiv</sup>

## The New US Republic via a Global Currency Reset

April 10, 2016 by [Steve Beckow](#)

## COVER: "GET READY FOR A WORLD CURRENCY"

"THIRTY years from now, Americans, Japanese, Europeans, and people in many other rich countries, and some relatively poor ones will probably be paying for their shopping with the same currency. Prices will be quoted not in dollars, yen or D-marks but in, let's say, the phoenix. The phoenix will be favored by companies and shoppers because it will be more convenient than today's national currencies, which by then will seem a quaint cause of much disruption to economic life in the last twentieth century.

At the beginning of 1988 this appears an outlandish prediction. Proposals for eventual monetary union proliferated five and ten years ago, but they hardly envisaged the setbacks of 1987."

*(Note: the writer is apparently referring here to the events related to October 19, 1987 -- often referred to as "Black Monday"-- when stock markets crashed in the U.S. and around the world, shedding a huge value in a very short time.)<sup>xv</sup>*

another quote...

" As the next century approaches, the natural forces that are pushing the world towards economic integration will offer governments a broad choice. They can go with the flow, or they can build barricades. Preparing the way for the phoenix will mean fewer pretended agreements on policy and more real ones. It will mean allowing and then actively promoting the private-sector use of an international money alongside existing national monies. That would let people vote with their wallets for the eventual move to full currency union. The phoenix would probably start as a cocktail of national currencies, just as the Special Drawing Right is today. In time, though, its value against national currencies would cease to matter, because people would choose it for its convenience and the stability of its purchasing power."

## **THE NEW AMERICAN REPUBLIC**

Short of Nancy Detweiler's account, (1) I haven't seen such a full discussion of NESARA. In addition, unlike any account I've seen so far, this account supplies the names of some of the white hats and military units that "fought" the cabal to a standstill. It tells details that I haven't seen elsewhere.

*What follows is a remarkable history of recent times regarding the Global Currency Reset, the new American Republic, etc.*

*No author is cited. It contains statements which, the first time they were made, caused a firestorm: Such as that House Speaker Paul Ryan was the new interim President and that President Obama is part of the New World Order. GAOG does not believe the latter allegation.*

*It may shock some people; for instance, by asserting that cabal monies are laundered through the Vatican Bank. That's likely to be distressing to the Catholic faithful. Reader discretion is advised.*

### **Time Magazine Predicts**

"New World Order" With International Currency Big Brother

Politicians from Beijing to Berlin to Brasília see the current crisis as the product of a messed-up global financial infrastructure dominated by the U.S., and they will soon be pushing for big changes--whether Americans like them or not...

Well Father, we don't like these changes and we take authority over all the demons that are involved in the destruction of our economic freedom and bind their powers and send confusion into the enemy camp. We break the powers of agreement and unity and command these demons to introvert into every area of these usurper leaders designs over every life in our nation.

Time Magazine writes, "On the regulatory front, the path to a new global approach is pretty clear. Last spring the leaders of the G-7, a club of wealthy nations, agreed to create a "college of supervisors" to more closely coordinate regulation of multinational banks. The Group of Thirty, an influential organization of current and former central bankers and financial regulators, recommended in January that

"systematically significant" financial institutions (those that are too big to fail) be identified in advance and subjected to higher capital requirements and tougher regulation.

### **A MUST READ... THE FALL OF THE CABAL HAPPENED UNDER OBAMA**

Posted on [June 17, 2016](#) by [David Robinson](#)

#### **Events of the last ten days**

Compiled on 17 June 2016 by Judy Byington, MSW, LCSW, ret, Author, "Twenty-Two Faces," CEO, Child Abuse Recovery. [www.22faces.com](http://www.22faces.com) [www.ChildAbuseRecovery.com](http://www.ChildAbuseRecovery.com)

1. On June 10, 2016, Friday, Landa China Global received three tranche alert notifications, the initial funding for their Humanitarian Prosperity Packages. Landa now had access to quadrillions for humanitarian projects.

2. The RV was expected to happen in the US when China transitioned to a gold-backed currency. Around the first part of June 2016 US Treasury Secretary Jack Lew was in China where he agreed to a 15 June 2016 transition date. Though scheduled for June 15, 2016, that transition was said to take place on Sunday June 12.

3. On Sunday afternoon June 12, 2016 Republic President General Joe Dunford & USA, Inc. bankruptcy figure head Jack Lew arrived in Reno on Air Force 1 with full surrendered release documents re: UST control over to the new Republic Treasury.

4. On that same Sunday June 12, 2016, the new US Republic Treasury was hydrated with gold and asset-backed US Notes to cover a ten year budget plan that fixed the country's infrastructure and basic operational needs. At the same time China also transitioned to a gold-backed currency, as did the rest of the global currencies in the BRICS system.

5. Wells Fargo Corp was authorized to release the RV kick-starting the Global Currency Reset on Sunday night June 12, 2016. Wells Fargo would hold back the release pending certain political events.

6. The bankruptcy on May 2, 2016 of the UNITED STATES OF AMERICA Corporation was being felt in increasingly obvious ways. On Sunday June 12 2016 Khazarian mafia bosses ended their meeting at the Bilderberg gathering in Dresden, Germany. Nathaniel Rothschild was said to preside over that meeting on behalf of top his uncle and top Khazarian mafia boss Baron Jacob Nathaniel Rothschild. The official press release was here: [HTTP](#)

7. CIA officials said that nobody was answering the phone at official Rothschild family companies, nor at their family complex in Zug, Switzerland. Considering the closure of the Rothschild offices in England, Japan and elsewhere, it was gussed they were in Switzerland with England's gold reserves. If that was the case it meant that the

Rothschilds no longer controlled the Bank of England. <https://www.rt.com/uk/345988-g4s-royal-mint-security/>

8. The British military had been removed from protecting the Royal Mint (where England's gold was stored). The military was replaced with a private security company known as G4S. This was the scandal-plagued company that botched the security for the London Olympics. It was also where the so-called shooter in Orlando used to work.

9. Pentagon sources said US forces were evacuated from Germany's Ramstein Air Base to shut down Bush cabal drug trafficking there and thus cut off their funds.

10. By now the European financial system was about to collapse.

11. On June 14, 2016 Tues morning before markets opened in Europe, the London Gold Exchange (BOC) and OPEC Oil Exchange (HSBC) was scheduled to be surrendered to the Chinese Elders, but the transfer was held up because of political turmoil.

12. On that same Tues. June 14, 2016 negotiations for a new financial system in the US went on hold as Cabal controllers of the old system went into hiding. There was a chaotic situation in the United States, Middle East and Europe. The May 2 2016bankruptcy of the Western financial system had affected social and economic stability – that had yet to be reported by the main stream media.

13. Late Tues. June 14, 2016 and despite the chaos, or perhaps because of it, Iraq was said to have paid out all citizens at the same rate across the country. The new rates were retroactive back to 2013.

14. Also on Tues. June 14, 2016 a large shredding truck was parked in front of the US Federal Reserve Building in New York. Big "Shred-it" Truck Just Spotted In-front of the New York Fed

15. Globally the Federal Reserve US dollar was now being ignored as the new US Treasury Notes activated in the global monetary system of BRICS.

16. From Mon. June 13 through Tues. June 14, 2016 major funding moved into place in preparation of a Global Currency Reset.

17. On Tues. June 14, 2016 many wondered what was going on at the US Treasury when President Obama made an Islamic Terrorist speech as the new Republic President General Joseph Dunford and US Treasury Secretary Jack Lew stood alongside. Everyone standing next to Obama including Lew were anticipating him to announce the new US Note currency circulation as per a signed treaty. The Treaty gave the new Republic Treasury control of printing the nation's money again (this in place of the private, illegal, bankrupted and already fully transitioned Federal Reserve Bank). Obama's failure to make the announcement delayed release of the RV.

18. Jack Lew had made a pre-taped announcement that could air at any time per the emergency broadcast system if need be. However, that was not the optimal strategy for the Chinese Elders who for legal reasons, insisted on an overt transition statement and/or confession for the public record.

19. In view of Obama's reluctance to make the announcement, on Wed. June 15, 2016 at 8am CST China announced it was 100% gold backed (which happened on June 12).

20. On Wed. June 15, 2016 the Paris Agreement (which included the global Gold Treaty) was formally put in force for all sovereign nations. Officially the Paris Agreement was on climate change, but had in it the framework for the global Gold Treaty and currency reset. The Agreement had been passed by 194 countries. A total of 196 countries had agreed when China finally signed.

21. The new US Note was tied directly into the global reserve currency implementation. If the Paris Agreement was to be "put into force" 13 days after it was ratified by 55 countries representing 55% of global carbon emissions, then all 195 nations had to be 100% compliant, including our own Republic of the United States.

22. The US Inc (aka the Federal Reserve) had defaulted back on May 2, 2016. With China going gold-backed with their currency, the BRICS system was now in full force for all 196 countries.

23. Implementation of the Gold Treaty not only meant a Global Currency Reset, but a new Republic for the US. Under the agreement everything was to conclude by June 15, 2016. This meant the new US Note must be released as bills had already been preloaded in ATMs.

24. By that same Wed. June 15, 2016 all necessary global monetary change agreements had been signed. Information over the last two weeks indicated that the Global Currency Reset and receiving of 800 numbers for those holding foreign currency redemptions was an imminent event. Why? Because the Chinese had always said that either all nations go, or none go, and the nation of China had already gone. America would be next.

25. On June 15, 2016 the IRS and US Treasury were officially turned over to General Dunford and the new US Republic.

26. By not making the announcement on Tuesday USA Inc. President Obama had lost his chance to reveal the global change to gold and asset-backed currency, the expected change in the US tax system and to reveal the new US Republic. This reluctance by Obama triggered a forced rollout of the Global Currency Reset.

27. Also in view of Obama's reluctance to reveal the fall of the Federal Reserve note, now announcement of the new gold-backed US Treasury note would likely be made through a top-level spokesman like US Treasury Secretary Jack Lew.

28. Early Thurs. morning right after midnight at 12:01 am EST June 16, 2016, Jack Lew made a public statement that was taped, delayed and carried on CSPAN later that morning. In this announcement Lew said that USA and China were putting the Paris Agreement in force. This put gold-backed currency into effect worldwide.

29. Also on Thurs. June 16, 2016 Speaker of the house Paul Ryan made his weekly address. In that speech, Ryan proposed that Obama Care be repealed and replaced. He also suggested that the IRS be abolished and replaced with a non-negotiable flat tax that included a consumption tax on new goods, but not on used goods, or essentials like food and medicine. In the new tax structure old tax system loopholes were to be closed and everyone would pay their fair share.

30. On June 15, 2016 Pentagon Chief of Staff General Joseph Dunford had officially been put in as the new President of the new US Republic. With the new US Treasury in charge, these proposals had a chance for success.

31. There would be no public announcement about the Federal Reserve and IRS termination until after the November elections, though both agencies had already been reformed. The media wouldn't be reporting this because the powers that be didn't want to scare the markets.

32. However, by Wed. night at midnight June 15, 2016 final negotiation teams had met in Beijing and Reno to conclude agreements. By early Thursday am June 16, 2016 in place was the new Chinese Elder gold-backed BRICS system. The US would no longer return to the old fiat system.

33. The Paris Agreement had been ratified. All final military, diplomatic decisions were implemented including those involving oil in Brazil and Venezuela. The Vatican, Cabal and US had been put on notice that there would be no more games. The Chinese Elders now controlled all bond and equity **markets**.

## TRUMP IS NOT A GLOBALIST COMMUNIST

If you think voting for one of these Globalist PUPPETS can restore LIBERTY and Constitutional Governance to our Nation, or even save our Nation AS a Nation, you are a COMPLETELY CLUELESS, a Hypnotized ZOMBIE, the victim of the Globalist Media that has BRAINWASHED you.

**VOTE TRUMP 2016**  
HELP US SAVE OUR NATION  
AS A NATION

**Donald J. Trump is Globalist Kryptonite**

This is the counter-revolution to UNDO the fundamental Marxist changes to America which happened over four decades.

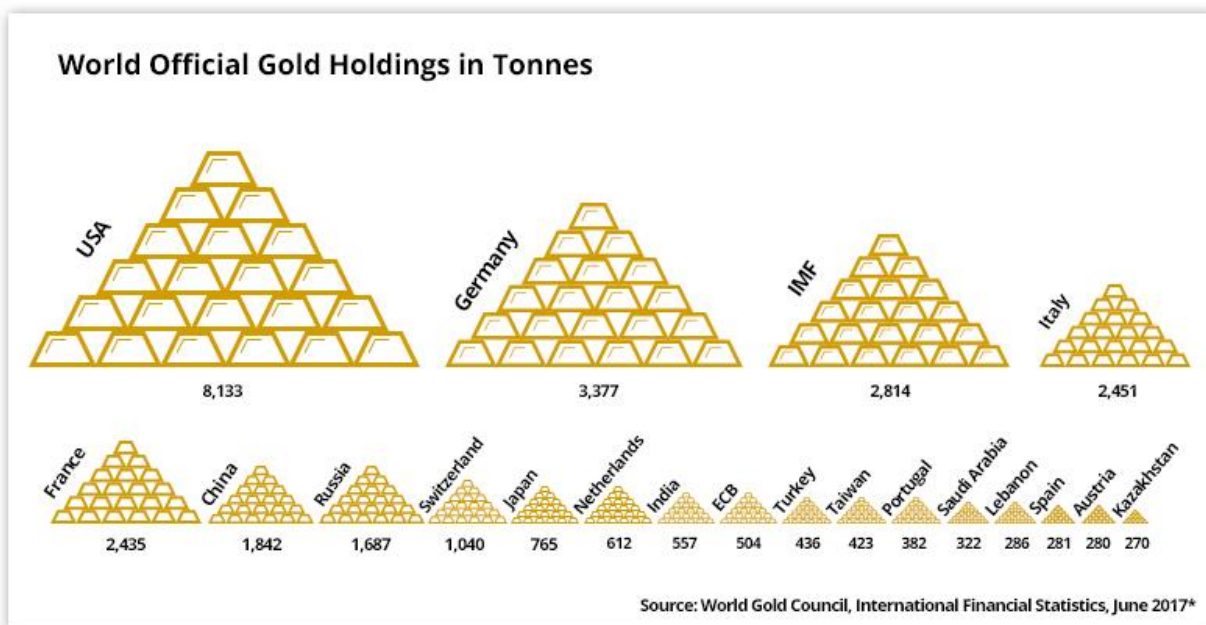

### Federal Reserve to New US Republic via a Global Currency Reset

The Global Currency Reset is a complicated process about a global reset of currencies, removal of the Khazarian mafia and restoration of the US Republic and the original US Constitution. At present the process is playing out with no holds and is expected to be completed within days.

Below is a history of that process, including forming of the US New Republic, integration of the Federal Reserve into the new US Treasury in Reno, expected changes in the US tax system, expected release of the 800 numbers and relationship of Humanitarian Projects to \$800 trillion in US taxpayer monies gained from a 1992 audit of the Federal Reserve.

The higher Contract Rates are available, especially if you are dedicating a good percentage of your monies to Humanitarian Projects. Those higher rates are said to be funded out of \$800 trillion in US taxpayer monies that were illegally taken by the Federal Reserve during the Bush Administration, then confiscated during the 1992 Federal

Reserve audit. At present the monies are in European bank accounts awaiting the GCR.<sup>xx</sup>

This means everything is full steam ahead for the “Mar-a-Lago Monetary Accord” and the dollar’s “reboot.”

Even better, according to a recent Gallup Poll, more than twice as many Americans supported returning to gold as money as those who didn’t.

I bet if you took an update poll again today, given the enthusiasm around Trump, you’d get an even better response.

Simply put, there’s no stopping this dollar reboot. Its time has come.

The “Mar-a-Lago Monetary Accord” will be a turning point in American history.

And it could be a turning point for you financially as you reap up to 1,000% from the dollar reboot investment I’ll tell you about in just a minute.

But first, just in case you think this sort of thing can’t happen here...

You should know...

### **Trump’s Dollar “Reboot” Would Be the 10th Major Reset in the Last 100 Years**

Over and over again throughout American history, an old economic order stagnates and needs to be “rebooted.”

One of my close friends, former Deputy Secretary of the Treasury Kenneth W. Dam, refers to these reboots as: “Rewriting the rules of the money game.”

In fact, most people are surprised to know that reboots like the one Donald Trump could be planning have happened NINE TIMES already in history...

They always follow the same pattern...

World leaders hold a summit at a high-profile location that will go down in the history books...

And they “reboot” the rules of the monetary game to stabilize the system and get the world back to economic growth. <sup>xxii</sup>

## Here's the Beautiful New \$100 Bill That's Going into Circulation Today

By [Julia La Roche](#)

**This post** originally appeared in **Business Insider**.

The new hundred-dollar bill goes into circulation today after being delayed well beyond its original 2011 debut date [due to printing issues](#).

"Over a decade of research and development went into its new security features," write the folks at [NewMoney.gov](#).

Here are some cool features [as described by NewMoney.gov](#):

**The blue ribbon:** "Tilt the note back and forth while focusing on the blue ribbon. You will see the bells change to *100s* as they move. When you tilt the note back and forth, the bells and *100s* move side to side. If you tilt it side to side, they move up and down. The ribbon is woven into the paper, not printed on it."

**The copper bell in the inkwell:** "Tilt it to see the bell change from copper to green, an effect which makes the bell seem to appear and disappear within the inkwell. "

**The microprinting:** "Look carefully for small printed words which appear on Benjamin Franklin's jacket collar, around the blank space where the portrait watermark appears, along the golden quill, and in the note borders."

**The color-shifting 100:** "Tilt the note to see the numeral *100* in the lower right corner of the note shift from copper to green."

## **The Dollar Will Die if It's Not "Rebooted" Immediately...**

The U.S. dollar — and by extension, the global economy — is facing an imminent threat. Obamacare... the Obama debt... Obama's open borders... Obama's retreat from the world stage... has all but killed what made America great.

Obama put the interests of America's retirees... U.S. workers... veterans... and everyone else who used to make up our Middle Class behind the elites.

He helped the big banks... international corporations... and even foreign leaders at the expense of you and me!

That's why Donald Trump was elected. Voters knew we couldn't take another four years of Obama if Hillary Clinton won.

And thank goodness we put Trump in office...

Because now President Trump can take steps to avoid disaster.

But he needs to act quickly. <sup>xxiii</sup>

## **By March 21, President Trump Could Have Total Control Over the Federal Reserve. The First Time for Any President Since 1914**

Actually, March 21, 2018, could end up being a conservative date. Everything I'm explaining could conceivably happen much sooner than I'm explaining here... President Trump could flip the switch on this dollar "reboot" much sooner than anyone expects. Of course, I can't tell you all of these things will happen by March 21 for certain. President Trump's opinion could change or he could alter his plans. Maybe events happen as I expected... or later... or earlier... But that's why it pays to get positioned for this right now; otherwise the opportunity might pass you by. <sup>xxiv</sup>

## ON THE BRINK OF WWIII

## LARGEST DEATH CULTURE IN THE WORLD THE BROTHERHOOD

The fallen Cabal, global world elitist, are the people of the largest death culture the world has ever witnessed. Their plan is that the new world will be supported by the mystery of Babylon that worships the pagan gods and goddesses. Could it be that these deluded cabalist elitist men and women are madly working to open the Star Gate of Eden to eat from the forbidden Tree of Life to gain eternal life and live in their flesh forever? Have these evil rebellious men and women dedicated their lives to bring in their New World Order; drive Illuminati elitist bring about a reconstructed "paradise" or kingdom on planet earth? They believe that godhood has arrived and confess they are the guardians of the Holy Grail. Their writings reveal that "they are the ones sent to save planet earth and they are being directed by their god of the forces to kill more than 6 billion people on the earth! Are they reinventing their evil kingdom of their god

upon this earth? Is it possible they, through modern technologies been able to reach the Star gate of Eden and now are walking in their godhood serving their new god of the forces? They shall live forever in their sinful, fallen condition, tormented as their plots fail to satisfy them and the curses they have released upon humankind.

Satan is a paranormal being living on earth in this level of consciousness, existence, or reality. His power is worked through those who descend directly from his chosen bloodlines and their puppets. He is causing havoc and chaos to seat himself and his representation on the throne of a World State and to inaugurate a New Religion with himself its sole deity. It should become obvious that what we are dealing with is Lucifer's rebellion against God.

## **PHOENIX HAS RISEN**

UNITED NATIONS MURAL that towers over the Security Council Room. II Thessalonians 2:9-12 “The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved. And for this reason, God will send them strong delusion that they should believe the lie that they all may be condemned who did not believe the truth but had pleasure in unrighteousness.”

Satan is a paranormal being living on earth in this level of consciousness, existence, or reality. His power is worked through those who descend directly from his chosen bloodlines and their puppets. He is causing havoc and chaos to seat himself and his representation on the throne of a World State and to inaugurate a New Religion with himself its sole deity. It should become obvious that what we are dealing with is Lucifer's rebellion against God.

**The central focus of the United Nations' mural is the Phoenix bird that has risen is standing up over its dead carcass. He is the symbol of Lucifer. The bird reincarnates from death to life out of the blue flames, [The End and the Beginning]. ~ Gold is one of the most powerful of the colors. Satan has a golden aura. Gold is the color of the Sun, and is of the element of fire. In Satanic alchemy, gold represents the perfection of the soul. Both the colors gold and white-gold are seen all over in the Ancient Egyptian hieroglyphs, in the temples and pyramids. Gold is the color of riches and power. The man of Sin (Antichrist) arises.** <sup>45</sup>

The elitist believe The Age of Aquarius is causing great turmoil to make room for the new values of *love, brotherhood, unity and integrity*. Everything with [Piscean values](#) is being exposed and taken down. This includes governments, corporations, individuals, and even personal relationships. Many call this a disaster, as the world appears to be falling apart, but is it? <sup>46</sup>

## **PHOENIX BIRD IS LUCIFER**

The Phoenix Bird is eternally going through a never-ending cycle of life and death and rebirth. A phoenix is a mythical bird with a colorful plumage and a tail of gold and scarlet (or purple, blue, and green according to some legends). It has a 500 to 1,000-year life-cycle, near the end of which it builds itself a nest of twigs that then ignites; both nest and bird burn fiercely and are reduced to ashes, from which a new, young phoenix or phoenix egg arises, reborn anew to live again. Our bird in this picture is standing no not above his ashes; he is standing above his old skin. <sup>39</sup> Like a snake he has shed his old skin and is revealing himself as god at the center of the mural. The bird is Lucifer whom they believe that he died and arose to heaven as the Morning Star. <sup>40</sup> The Phoenix Bird is one of the foremost symbols of the Illuminati, according to Doc Marquis. Therefore, since Hillary Clinton is wearing this symbol, we can know conclusively that she is an Illuminist. Further, since this Illuminist lapel pin was worn by two people very close to President Bill Clinton, we can know for certain that he is an Illuminist, too. [This lapel pin was seen being worn by: Donna Shalala, Secretary of Health and Human Services and Bettie Currie, Clinton's Personal Secretary, see U.S. News & World Report, 2/9/98]. <sup>41</sup>

## **The Fire bird is Lucifer**

“Therefore, rejoice ye heavens, and ye that dwell in them. Woe to the inhibitors of the earth and of the sea, for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time,” (Revelation 12:12).

Lucifer is alive amongst us and the mayhem and chaos we are now experiencing on an international scale in this of the 21st century is due to the culmination of many millennia of plotting and planning by this eternal adversary as mentioned in the Holy Scriptures.

The Aquarian Age points to the direction of our own evolution in consciousness. We are each being asked to make a choice. We can cling to the old outdated values or adopt the new evolving ones. Our happiness and peace depend on our choice and the change will take place whether we like it or not. <sup>xxv</sup>

## THE GLOBALIST WORSHIP THE PAGAN GODS

In pre-Christian Rome under the [Julian calendar](#), the day was dedicated to [Janus](#), god of gateways and beginnings, for whom [January](#) is also named.

In [ancient Roman religion](#) and [myth](#), **Janus** (/ˈdʒeɪnəs/; [Latin](#): *īānus*, pronounced [ˈjaːnus]) is the [god](#) of beginnings, gates, transitions, time, duality, doorways,<sup>[1]</sup> passages, and endings. He is usually depicted as having two faces, since he looks to the future and to the past. It is conventionally thought that the month of [January](#) is named for Janus ([Ianuarius](#)),<sup>[2]</sup> but according to ancient Roman farmers' almanacs [Juno](#) was the [tutelary deity](#) of the month.<sup>[3]</sup>

Janus presided over the beginning and ending of conflict, and hence war and peace. The gates of a building in Rome named after him, not a temple as it is often called, but an open enclosure with gates at each end, were opened in time of war, and closed to mark the arrival of peace (which did not happen very often). As a god of transitions, he had functions pertaining to [birth](#) and to journeys and exchange, and in his association with [Portunus](#), a similar harbor and gateway god, he was concerned with travelling, trading and shipping

Charles Spurgeon writes, "**Having escaped the corruption that is in the world through lust.**" (2 Pet. 1:4). Vanish forever all thought of indulging the flesh if you would live in the power of your risen Lord. It was ill that a man who is alive in Christ should dwell in the corruption of sin. "Why seek ye the living among the dead?" said the angel to Magdalene. Should the living dwell in the sepulcher? Should divine life be immured in the charnel house of fleshly lust? How can we partake of the cup of the Lord and yet drink the cup of Belial? Surely, believer, from open lusts and sins you are delivered: have you also escaped from the more secret and delusive lime-twigs of the Satanic fowler? Have you come forth from the lust of pride? Have you escaped from slothfulness? Have you cleaned escaped from carnal security? Are you seeking day by day to live above worldliness, the pride of life, and the ensnaring vice of avarice? Remember, it is for this that you have been enriched with the treasures of God. If you be indeed the chosen of God, and beloved by Him, do not suffer all the lavish treasure of grace to be wasted upon you. Follow holiness; it is the Christian's crown and glory. An unholy church! it is useless to the world, and of no esteem among men. It is an abomination, hell's laughter, heaven's abhorrence. The worst evils which have ever come upon the world have been brought upon her by an unholy church. O Christian, the vows of God are upon you. You are God's priest: act as such. You are God's king: reign over your lusts. You are God's chosen: do not associate with Belial. Heaven is your portion: live like a heavenly spirit, so shall you prove that you have true faith in Jesus, for there cannot be faith in the heart unless there be holiness in the life."

"Lord, I desire to live as one  
Who bears a blood-bought name,  
As one who fears but grieving Thee,  
And knows no other shame."

**However, prayer is also the chosen vehicle to change the plans of Satan for your life, family, community, church, city and country. Isaiah shows there must be a time of waiting before God in prayer, [...] Lift the name of Jesus up for your Family members.**

### **Prayer Intercession**

Father in the name of Jesu, the Scripture reveals Him in 'power and authority,' "And what is the exceeding greatness of his power to usward who believe, according to the working of his mighty power, which he wrought in Christ when he raised him from the dead and set him at His own right hand in the heavenly places," (Eph. 1:10).

How wonderful! He gives the Believer us His Heavenly power!

3 For though we walk in the flesh, we do not war after the flesh: 4 (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) 5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ; 2 Cor. 10:3.

This heavenly power operates in supernatural through faith, His name and Words. When seeking for Jesus to heal us, we must deal with it through spiritual mental and physical means.

We lift President Donald J. Trump and ask You for Divine protection against all the powers of Satan and bind his powers and his demons in Jesus' name.

Do you notice the Fake News Mainstream Media never likes covering the great and record setting economic news, but rather talks about anything negative or that can be turned into the negative? The Russian Collusion Hoax is dead, except as it pertains to the Dems. Public gets it! Trump will deliver his State of the Union address on Tuesday, Jan. 20th.

Please be in prayer that his speech will be perfect—full of wisdom and hope. That the Lord will prepare the hearts of every American to hear and receive what he says. Pray that he will have favor with the people and that many who have not supported him in the past will have their hearts and minds changed by this speech. Come against every "spirit of the air" that would try to confuse any lines of communication. Thank you!!

Baron Samedi – *loa* of the dead.

**Papa Ghede** is the corpse of the first man who ever died. He is recognized as a short, dark man with a [high hat](#) on his head, who likes to smoke cheap [cigars](#) and eat apples. Papa Ghede is a [psychopomp](#) who waits at the crossroads to take souls into the afterlife. He is considered the good counterpart to [Baron Samedi](#).

**Brave Ghede** is the guardian and watchman of the graveyard. He keeps the dead souls in and the living souls out. He is sometimes considered an aspect of Nibo.

**Ghede Bábáco** is Papa Ghede's less known brother and is also a psychopomp. His role is somewhat like that of Papa Ghede, but he doesn't have the special abilities of his brother.

[Ghede Nibo](#) is a psychopomp, an intermediary between the living and the dead

**Baron Kriminel** ("Baron of Criminals") is the enforcer of the Guede.

**Grandma Brigitte** ("Mother Bridget") is the wife of Baron Samedi. She is syncretized with [St. Brigit](#), perhaps because St. Brigit is the protector of crosses and gravestones.

We bind this demons and cage them in Jesus name. and ask You for your Divine Protection.

## Intercession Prayer

### Power of Power

“And my speech and my preaching was not with enticing words of man’s wisdom, but in demonstration of the spirit and of power; that your faith should not stand in the wisdom of men, but in the power of God,” (I Cor. 2:4, 5).

The great Apostle Paul said to the Corinthians “I was with you in weakness, in fear, and in much trembling,” (I Cor. 2:3), and, “When I am weak, then I am strong,” (II Cor. 12:10). Nonetheless, Paul was **one of the most powerful spiritual warriors in the New Testament. He caused even the satanic goddess, Diana of the Ephesians to tremble!** Effective spiritual warfare requires a delicate balance of weakness and power. **Paul proves that a man connected spiritually with Jesus Christ can change the course history.** Ephesus experienced a drastic spiritual transformation from serving dead, dumb idols and switched their allegiances to the living God, Jesus Christ.

### We are in a Spiritual War

Whose side are you on? The Apostle Paul reveals our position in Jesus, “But ye are a chosen generation, a royal priesthood, a holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his

marvelous light: 10 Which in time past were not a people, but are now the people of God: which had not obtained mercy, but now have obtained mercy. 11 Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul; 12 Having your conversation honest among the Gentiles: that, whereas they speak against you as evildoers, they may by your good works, which they shall behold, glorify God in the day of visitation,” (1 Pet. 2:9-12).<sup>69</sup>

### **The Lord Mighty in Battle**

Well may our God be glorious in the eyes of His people, seeing that He has wrought such wonders for them, in them, and by them. For them, the Lord Jesus upon Calvary routed every foe, breaking all the weapons of the enemy in pieces by His finished work of satisfactory obedience; by His triumphant resurrection and ascension He completely overturned the hopes of hell, leading captivity captive, making a show of our enemies openly, triumphing over them by His cross. Every arrow of guilt which Satan might have shot at us is broken, for whom can lay anything to the charge of God's elect? <sup>70</sup>

Vain are the sharp swords of infernal malice, and the perpetual battles of the serpent's seed, for in the midst of the church the lame take the prey, and the feeblest warriors are crowned. The saved may well adore their Lord for His conquests in them, since the arrows of their natural hatred are snapped, and the weapons of their rebellion broken. What victories has grace won in our evil hearts! How glorious is Jesus when the will is subdued, and sin dethroned! As for our remaining corruptions, they shall sustain an equally sure defeat, and every temptation, and doubt, and fear, shall be utterly destroyed. In the Salem of our peaceful hearts, the name of Jesus is great beyond compare: He has won our love, and He shall wear it. Even thus securely may we look for victories by us? We are more than conquerors through Him that loved us. We shall cast down the powers of darkness which are in the world, by our faith, and zeal, and holiness; we shall win sinners to Jesus, we shall overturn false systems, we shall convert nations, for God is with us, and none shall stand before us. This evening let the Christian warrior chant the war song, and prepare for to-morrow's fight. Greater is He that is in us than he that is in the world.

## **Critical Time**

Father, this is the most critical time in our nation since the Revolution. Much has already been taken from us, now our most fundamental liberties are at risk. I thank God for men like Alex Jones, George Noorie and Jerome Corsi, and all the resisters that are engaged in this war realizing that each of you has literally put your life at risk to warn the people. You are walking in very big footprints - and each of you is up to the task.

There is a massive wealth transfer going on behind the scenes and currently a serious war going on for control of America. Open the eyes and ears that America can hear those who are putting their lives on the line for our families and nation.

Also, raise up true women and men who are sold out for Your cause and do not follow You for the loaves and fish. Who will warn Your church to repent?

## **God Needs You**

The world is in need of self-denying intercessors, people who will sacrifice their time for the church and the nation in prayer. Revival will come on the wings of prayer. We must return to God's way concerning the issues of our country. Territorial warfare must return to God's people to bring revival to the church. Moses' intercession is epitomized when he was chosen to lead God's people. He said, "Oh, this people have sinned a great sin, and have made them gods of gold. Yet now, if thou wilt forgive their sin, and if not, blot me, I pray thee, out of thy book which thou hast written," (Exod. 31: 31).

Moses delivered a nation from bondage of slavery and he was so devoted to his people, he was actually asking God to strike him dead and wipe his name out of the Book of Life! He was demonstrating that the number one reality of intercession is death to your flesh and love for the people. Many times, he is shown struggling in prayer because of the condition of his people.

Father, we pray as Spurgeon; Edom's princes saw the whole country left desolate, and counted upon its easy conquest; but there was one great difficulty in their way-- quite unknown to them-"The Lord was there"; and in His presence laid the special security of the chosen land. Whatever may be the machinations and devices of the enemies of God's people, there is still the same effectual barrier to thwart their design. The saints are God's heritage, and He is in the midst of them, and will protect His own. What comfort this assurance yields us in our troubles and spiritual conflicts! We are constantly opposed, and yet perpetually preserved! How often Satan shoots his arrows against our faith, but our faith defies the power of hell's

fiery darts; they are not only turned aside, but they are quenched upon its shield, for "the Lord is there." Our good works are the subjects of Satan's attacks. A saint never yet had a virtue or a grace which was not the target for hellish bullets: whether it was hope bright and sparkling, or love warm and fervent, or patience all-enduring, or zeal flaming like coals of fire, the old enemy of everything that is good has tried to destroy it. The only reason why anything virtuous or lovely survives in us is this, "the Lord is there."

If the Lord be with us through life, we need not fear for our dying confidence; for when we come to die, we shall find that "the Lord is there"; where the billows are most tempestuous, and the water is most chill, we shall feel the bottom, and know that it is good: our feet shall stand upon the Rock of Ages when time is passing away. Beloved, from the first of a Christian's life to the last, the only reason why he does not perish is because "the Lord is there." When the God of everlasting love shall change and leave His elect to perish, then may the Church of God be destroyed; but not till then, because it is written, JEHOVAH SHAMMAH, "The Lord is there."

### **Occupy until I come**

Jesus admonished us to "Occupy until I come." The word occupy means to take possession of. Jesus placed His business and His great work in the hands of His servants.

Joshua, the son of Nun and the successor Moses as the leader of the Israelites, a close examination of his life shows that his authority came from his relationship with God. The Bible says, "There shall not any man be able to stand before thee all the days of thy life: as I was with Moses, so will be with thee. I will not fail thee, nor forsake thee. Be strong and of a good courage: for unto this people shalt thou divide for an inheritance the land, which I swear unto their fathers to give them," (Josh. 1:5).

The secret of his power was his devotion and adherence to the Word of God. His prosperity came from his obedience to the Law, "This book of the law shall not depart out of thy mouth; but thou shall meditate therein day and night that thou mayest observe to according to all that is written therein; for then thou shalt make thy way prosperous, and then thou shalt have good success," (Josh. 1: 8).

He stayed faithful to God until the very end. He charges the people, "Now therefore, fear the Lord, and serve him in sincerity and in truth; and put away the gods which your fathers served on the other side of the flood, and in Egypt; and serve ye the Lords. And if it seem evil unto you to serve the Lord choose you this day whom ye will serve; whether the gods which your fathers served that were on

the other side of the flood, or the gods of the Amorites, in whose land ye dwell; but as for me and my house, we will serve the Lord,” (Josh. 24:14).

Father our battles are won when one has a zeal for Godly values and will want to raise His standards throughout the land all the way through spiritual warfare. We praise You and thank You for power, strength and victory.

“Blessed be the Lord my strength, which teacheth my hands to war, and my fingers to fight: 2 My goodness, and my fortress; my high tower, and my deliverer; my shield, and he in whom I trust; who subdueth my people under me,” (Psa. 144:1-2).

### **Prayer for this perilous Time**

Father, this is the most critical time in America since the Revolution. Please make sure you are equipped mentally, emotionally spiritually for the time ahead so that you can meet any challenges with courage, calmness and intelligence.

Father, these self-appointed globalist believe old world is decaying, and that a new world is emerging from the chaos. They are telling the world that old methods of ruling the world are failing and that the structures of the UN are beginning to assume responsibility for governing the globe. We bind the powers of their Boa Constrictor spirit and chop it into small pieces.

We bind the powers of the Messianic personality of the false gods that they have produced through mind manipulations of the minds of the masses to carry on the captivity of our nation. We take authority over every marine star spirit that draws fame and popularity over this person. Father remember when the Beatles said that they were more popular than Jesus.... and they fame dropped like a lead anchor. We confuse these demons and break their hold over the minds of the American people.

We bind the powers of the deceptive media that is controlled by the NWO and lies to entrap the wills of the people.

So there is also much talk about the need for a new architecture--"a new Bretton Woods" was a phrase that echoed around Davos--to rein in global financial flows. Bretton Woods is the mountain resort in New Hampshire where in 1944 the Allied nations met--with the U.S. calling almost all the shots--to plan a postwar financial system. The Bretton Woods creations included the International Monetary Fund (IMF), the World Bank and a quarter-century of fixed exchange rates built around a U.S. dollar that was linked to gold. The fixed exchange rates and gold standard unraveled in the 1970s, and ever since we've had a system in which the IMF occasionally steps in to help countries in currency crises (usually imposing harsh terms in the process) but exercises no real control over the global financial system... In the view of many outside the U.S. (and some within), the only way to limit such

excesses is through a bigger, more powerful IMF that can act as a central bank to the world--and knock heads when needed.

We take authority over the powers the apostate the illuminati role and “elite” and “new world order” We release the identities of characters hiding behind generic titles and call their identities to become known to every citizen in the world. No one has given these vultures powers over our nation and the world.

Father, we call for Imprecatory Prayer against all the So-Called Robber Barons and the President Obama in the light of the enemies of God and the recent cases of fraud in our court systems, I call the children of God into action with Imprecatory Prayer. We specifically target Obama and all the witchcraft workers that are working their powers of darkness that are doing blood sacrifices to blind our nation’s eyes and ears to cause this ungodly coup. Those who are leading the attack against our country, it is our responsibility to use the weapons available to us, such as Imprecatory prayer, is now our duty.

Above and beyond US law, we declare spiritual authority and exercise, to expose the powers of darkness, and declare the kingdom of Jesus Christ. amen
