False Imitator the Holy Spirit

FALSE IMITATOR OF Holy Spirit -Kundalini Neo Paganism Revival

DESCERNING DEMONS

The Apostle Paul tells us in (1 Cor.11: 19), why God allows heresy to dwell in the midst of His Church. Paul says, *“There must be also heresies among you, that they which are approved may be made manifest among you.”* If you are a true believer, you will be able to discern the real from the false!”

Give God glory for it is a gift to be able to discern good from evil. God’s Word and His anointing are standards that place our faith on firm foundations. It is by means of iniquity (self will) that the root of error takes control.

The Greek word, **heresy**, according to Liddell and Scott, **means taking for oneself, choosing, or choice.** The things chosen, and so plan, purpose a course of action or thought. From this we get a philosophic principle, a sect, and a heresy.1

Webster's International Dictionary defines Heresy:

1. Adherence to a religious opinion that contrary to an established dogma of a church; dissent from a dominant theory or opinion in any field group or school of thought centering on a particular heresy.

Therefore, **heresy is not so much rejecting as selecting.** The heretic simply selects the part of the scriptures he or she wants to stress, and lets the rest go. How prone we are to take to ourselves those parts of the truth that please us and ignore the other parts. This is heresy! Heresies are a direct result of an intellectual concept becoming crystallized into a religious system of teaching

that is not Scriptural. This is the case with the multifarious sects which divide Christendom today.

DOCTRINES OF DEVILS

The book of Jude supplies us with a simple, straightforward summary of such sects, ***"These be they who separate themselves, sensual, having not the Spirit,"*** (Jude 19). Their philosophies are built, not on the full and glorious work of the Holy Spirit of God that exalts Jesus Christ, making His person the grand, central theme of their witness but on some sideline doctrine, which divides instead of uniting.

What are the ***"doctrines of devils"***? What is the result of a ***"spirit of error?"*** Can a **spirit of whoredom** rule over a church? The Apostle Paul warned Christians to beware of deceivers but also to take heed that he would not deceive himself (1 Cor. 3:18). Jesus also cautioned Believers to beware of **self-deception** in (Lk. 21:8). From the beginning of the Church throughout its history, Satan has attacked by using evil **deceivers**. ***"Evil men and seducers shall wax worse, deceiving and being deceived,"*** (2 Tim. 3:13). 2

The American Christian Church, has in many cases, become demon infested by demons because they have ignored the proper approach of cleansing the church. Look at the Great Commission given the Church by Jesus Christ:

“But the Pharisees said, He casteth out devils through the prince of the devils,”

(Matt. 9:33).

“And when he had called unto him his twelve disciples, he gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease,”(Matt. 10:1-3).

“Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely ye have received, freely give,” (Matt. 10:7-9).

“But the Pharisees said, He casteth out devils through the prince of the devils,” (Matt. 9:33).

“And they went out, and preached that men should repent,” (Mk. 6:11).

“And they cast out many devils, and anointed with oil many that were sick, and healed them,” (Mk. 6:12)

And these signs shall follow them that believe; In my name shall they **cast out devils**; they shall speak with new tongues,” (Mk. 16:16-18).

PAGAN BELIEFS

Neo Paganism is the revival of the old gods and goddesses of pre-Christian polytheistic mythologies, mystery cults, and nature religions, such as Celtic, Egyptian, Roman, and Sumerian.

Prudence Jones and Caitlin Matthews writes: “Pagans’ are people who follow the Old Religion, the native religious tradition of Europe which predated more abstract world religions such as Christianity . . . In a sense the new Pagans are neo-Pagans, since they derive their impetus from a spiritual re-emergence and reinstatement of ancient Pagan principles.”

Neo Paganism also includes existing tribal religions and shamanism. Then it includes new religions inspired by avant-garde science fiction and fantasy works as well as diverse occulted sources and traditions; related to witchcraft covens are other neo-pagan groups. [1]

The term “Pagan” comes originally from the Latin *“paganus,”* which appears to have originally had such meanings as “villager,” “country dweller,” or “hick.” The Roman army used it to refer to civilians. The early Roman Christians used “pagan” to refer to everyone who preferred to worship pre-Christian divinities, whom the Christians had decided were all “really” demons in disguise, based on the habit of rural folks holding on to their old faiths longer than city folks, as well as because the polytheists were unwilling to enroll in “the Army of the Lord.” Over the centuries, “pagan” became simply an insult, applied to the monotheistic followers of Islam by the Christians (and vice versa), and by the Protestants and Catholics towards each other, as it gradually gained the connotation of “a false religion and its followers.” By the beginning of the twentieth century, the word’s primary meanings became a blend of “atheist,” “agnostic,” “hedonist,” “religion less,” etc., (when referring to an educated, white, male, heterosexual, non-

Celtic European) and “ignorant savage and/or pervert” (when referring to everyone else on the planet).

FROM PAGAN’S VIEW

Today there are many people who proudly call themselves “**Pagan,**” and we use the word differently from the ways that most mainstream Westerners do. To most of us, “**Paganism**” is a general term for polytheistic religions old and new, with “**Pagan**” used as the adjective as well as the membership term. [ii]

The overwhelming majority of all the human beings who have ever lived were or are Pagans, and we believed that there is an enormous wealth of spiritual insight and strength to be gained from following a Pagan path.[iii]

FEEL GOOD FALSE CHRISTIANITY

LUKEWARM CHRISTIANS

So many in the Christian Church have become cold and lukewarm and they have given their minds over to forms of Better Homes and Garden and Disney World Christianity and lifestyles

that are just seeking after material things and emotional experiences. Jesus is rarely preached, *“So then faith cometh by hearing, and hearing by the word of God,”* (Rom. 10:17).

DID THEY STEAL THE WORD OF GOD FROM YOU?

Are you listening to preaching that consists of stories about the minister, his or her family experiences, or you giving to them so that you can get some money to increase your depleted bank account? Is your church similar to an entertainment center and your pastor acting as the master of ceremonies rather than a spiritual leader?

Many of these preachers are living sumptuously like kings and queens in multi-million dollar homes while you sit overwhelmed by debt. I'm telling you, that you are NOT listening to the real gospel. Repent for seeking after God the Father as a sugar daddy instead of the God that sent His Divine Son Jesus to save you from your sins to give you eternal life. Rededicate your life to Jesus and ask Him where you can go to receive the true Gospel with a real Bible and the real Jesus is the center.

The Bible warns, *“And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what [is] that good, and acceptable, and perfect, will of God,”* (Rom. 12:2).

There is no lack of evidence and testimony regarding the reality of demons in Christian spiritual literature during the past two millennia. We should be most foolish to discard it all as mere antiquated relics of the past, while accepting as gospel the myriad New Age teachings that have permeated our society over recent decades. Now, more than ever, it is imperative that we be wise and sober, discerning the spirits to make sure that they are truly of God, refusing to be led astray by the deceptive illusions of the Evil One.ⁱ

NEW AGE MOVEMENT

As we enter the 21st century and a new millennium, Satan has devised the delusion that mankind is entering into an important evolutionary phase called the New Age. The current push for "global enlightenment" is but one outward form of the New Age movement in their attempt to bring the world into a single-thinking Order, complete with a new religion, as well as otherworldly god-like beings for which to venerate and worship. Interviews taken of ex-Wiccans and Satanists indicate a high level of personal contact with various alien beings accompanying certain coven rituals such as the sacrificial rites of the Black Mass.ⁱⁱ

Moreover, those coming from the highest echelon of Satanism believe these same beings to inhabit the earth as demons. They also believe the first established civilization was Atlantis and that Satan was its King before its destruction. However, their otherwise insidious assertion that superior beings are out there providing us technology and spiritual wisdom to become Gods is something Satan always knew could effectively tempt us, after all, the promise made toward our ancestors that they also could become as enlightened Gods if they simply renounce God and His plan was a lie that worked quite well before in Eden. In Genesis 3, we read about Satan in his form as the *Nachash* (Hebrew; Serpent), an extremely intelligent cunning creature possessed with the ability to speak and reason. This same *Nachash* or *Shining Serpent/Dragon* used his vast intelligence to beguile Eve into bringing not eternal life as a God for herself and Adam, yet Sin and eternal Death. Believing the deception of the *Nachash* Serpent, Adam and Eve fell from their original blessed state and were cast out of the Garden, the archetype of being cast out of Heaven. As a result both Satan and his demonic Angels have been engaged in continual warfare against the human race ever since, striving to drag the collective souls of mankind further down to their own level, whereby man would die in their unrepentive, ungodly sins to live out an eternal existence in inescapable punishment, just as they.ⁱⁱⁱ

Currently, the group of beings referred to as Aliens are portraying themselves as disparate elements of the paranormal. In the ancient world, the spiritual development of early mankind has

been guided by nonhuman intelligences before, by beings whose agenda has been to infiltrate, and even instigate, various religious traditions in all cultures across the globe. Legends of cultures ranging from Sumerian, Babylonian, Hindu, to Native American, all seem to be laden with beings from the skies who possess superior technology and are very interested in interacting with man who is on the verge of destruction. Man naturally view them as 'gods' or spiritual beings enjoying worship and reverence in exchange for their distributing of wisdom. In the modern age, these same 'gods' are propagated most by the New Age Movement under such names as spirit guides, ascended masters, the hidden hierarchy, channeled beings, walk-ins, and natural forces like Gaia, are all imparting a similar message of impending disaster and need for all of humanity to unite.^{iv}

These "aliens" claim to be preparing the earth for a massive evolutionary shift of consciousness, a paradigm shift, while also continuing the education that they maintain is crucial if the human race is to be spared destruction. The non-human intelligences are feigning good intentions by warning humans of their potential fate, and the offer to assist humans is all but altruistic in that it is designed to unite mankind under a single global authority. Interestingly, like these same 'gods,' ancient Rebel angels known as the Annunaki have also been in contact with humans, shaping the same early cultures of mankind throughout history which believe them to be cultural deities of every sort.

However, the Bible clearly warns against these other gods, who are not really gods. Jeremiah 10:11 states: *These gods that [you worship] have not made the heavens and the earth, even they shall perish from the earth, and from under these heavens.* (Psa. 82:5-7) states: *“They [shall] walk on in darkness [when] all the foundations of the earth are out of course. I have said Ye are gods as all of you are [originally] the Children of the most High God, but ye shall all die like men and fall like the Prince.”^{vi}*

The New Age Movement is the most deceptive and damaging philosophy around today. It is entwined not only in witchcraft and Satanism but it is prevalent in all denominations of what the world calls Christianity. The belief systems are deeply rooted in Eastern Mysticism and the Occult. Followers are told “you are a god, to awaken their God consciousness thru Transcendental Meditation, Yoga, Hypnosis, visualization etc. What most people do not understand is this is the same thing Satan said in the Garden of Eden to Eve. *“You will be as Gods,”* (Gen. 3:4, 5).^{vii}

HUMANS’ ARE NOT GODS

No one is a god but Jesus Christ. To accept yourself as a god puts you on the list of those going to hell. Big ole fat Buddha was demon possessed. Hinduism, Taoism and all the eastern philosophies are a result of demons talking to those who would allow them to. Faith comes by hearing the Word of God, not through meditative practices, rituals and methods. *“Take heed therefore that the light which is in thee be not darkness...”* (Lk. 11: 35).

Re: Kundalini and Demon Possession - What you don't know CAN hurt you! Now, to bring this to the contemporary world and the forces are working to build the New World Order.

Kundalini (kuṇḍalinī, **Sanskrit**: literally means *coiled*. In Indian yoga, a "corporeal energy"[1] - an unconscious, instinctive or libidinal force or Shakti, envisioned either as a goddess or else as a sleeping serpent coiled at the base of the spine,[2][3][4] hence a number of English renderings of the term such as 'serpent power'.

YOGA AND TANTRA

Yoga and Tantra propose that this energy can be "awakened" by Guru, but body and spirit must be prepared by yogic austerities such as pranayama, or breath control, physical exercises, visualization, and chanting. It rises from **muladhara chakra** up a subtle channel at the base of the spine (called *Sushumna*), and from there to top of the head merging with the **sahasrara**, or crown chakra. The awakening is not a physical occurrence. It consists exclusively of development in consciousness. With awakening of the **kundalini** our consciousness expands and we become more aware of the truth. [5] When **Kundalini Shakti** is conceived as a goddess, then, when it rises to the head, it unites itself **with the Supreme Being (Lord Shiva)**. Then aspirant becomes engrossed in deep meditation and infinite bliss.[6][7] The arousing of **kundalini** is said to be the one and only way of attaining Divine Wisdom. Self-Realization is said to be equivalent to Divine Wisdom or Gnosis or what amounts to the same thing: Self-Knowledge.[8] The awakening of the **Kundalini** shows itself as "awakening of inner knowledge" and brings with itself pure joy, pure knowledge and pure love.[5]

However, like every form of energy one must also learn to understand spiritual energy. In order to be able to integrate this spiritual energy, careful purification and strengthening of the body and nervous system are required beforehand. [5]

However, like every form of energy one must also learn to understand spiritual energy. In order to be able to integrate this spiritual energy, careful purification and strengthening of the body and nervous system are required beforehand. [5]

Kundalini can awaken spontaneously or be awakened through the grace of a Siddha-Guru who awakens **the kundalini shakti** of his discipline through **shaktipat**, or blessing. A **Siddha Guru** is a spiritual teacher, a master, whose identification with the supreme Self is uninterrupted.[9]

The *Yogatattva Upanishad* mentions four kinds of yoga, of which *laya-yoga* involves **Kundalini**. [10]

Sri Ramana Maharshi maintained that the **Kundalini energy** is nothing but the natural energy of the Self, where Self is the **universal consciousness (Paramatma)** present in every being, and that the individual mind of thoughts cloaks this natural energy from unadulterated expression. **Advaita** teaches that Self-realization, enlightenment, God-consciousness, **nirvana** and **Kundalini** awakening are all the same thing, and self-inquiry meditation is considered a very natural and simple means of reaching this goal.[11][iv]

IT IS DANGEROUS

The above list of manifestations of the **risen Kundalini** on the **Kundalini Gateway** site is accompanied by the following warning [Emphasis Added]

“Many people know that the risen **Kundalini** flings open gates to all sorts of **mystical, paranormal and magical vistas** but few realize it can also dramatically impact the body. A large percentage of **Shared Transformation** subscribers have reported long bouts of strange illness as well as **radical mental, emotional, interpersonal, and psychic, spiritual and lifestyle changes**. Over and over again we hear stories of frustrating, sometimes desperate visits to doctors, healers, counselors, etc. who neither understood nor were able to help with the myriad pains and problems catalyzed by raging **Kundalini**”

And this tidbit [Emphasis Added]

“We have also been asked why we do not put more emphasis on **union with the Divine and God-realization, which are very much central to spiritual awakening**. Since everyone experiences and interprets their mystical experiences differently and very personally, to make sure no one will feel excluded, we just speak of "awakening consciousness" or "transcendent states" on the ST Web pages”. [15]

Kundalini teacher also warns that “Some caution is recommended when dealing with **Kundalini**” since “he cannot control Goddess”. [Emphasis Added]

“Legally and morally, I have to tell you: "Fools rush in where Angels fear to tread." Kundalini has been called the most powerful force in the universe. Respect it, or it will kick you to pieces. I don't think Kundalini itself, kills anyone but resistance to the process can result in trauma that moves people to suicidal behavior.

Don't seek awakening unless you are genuinely ready to **turn your whole life over to your Higher Power, have it taken from you, and reshaped, redirected and rebuilt.** "Not my Will, but Thine be done." **Kundalini** eats your ego based free will, replaces it with the will of your Soul. This is a door that once opened, does not close again. There is no putting the Genii back in the bottle.

RESISTANCE

Like the Borg say, on Star Trek:

Resistance is futile, you will be assimilated...into the collective consciousness... into the Self. Bliss! Resistance is worse than useless, it is dangerous, and the cause of most all kundalini based problems. There is growing evidence that many bipolar disorders and psychoses may be undiagnosed **kundalini Surrender is the imperative of Kundalini.**” [16]

KUNDILINI SERPENTINE SPIRIT

The Bible shows Satan taking the form of the Serpent and tempting Eve to rebel against God. Satan took over the vessels of Adam and Eve possessing them with the Serpentine spirit of Evil. Satan's target was not only to take over control of their fallen souls but I believe that he wanted to take over ownership of the Garden of Eden. God disallowed this target because also planted in the Garden of Eden was another tree, "The Tree of Life." If Satan could have gotten control of the Garden of Eden, and the fallen humans had eaten from the tree, he would have fulfilled his original desire to be like God and rule over a people living forever!

Every false religion is searching for the **Tree of Life**. If they can only find it, says Satan, they will live forever!

KUNDALINI HAS CAPTURED LARGE SECTIONS OF CHURCH

"Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; 4 Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God," (II Thess. 2:3-4).

KUNDALINI APOSTASIA AND THE FALLING AWAY

Apostasy means that there will be a total abandonment of Christianity or such a corruption of its doctrines that will cause it to be ineffectual. Jesus, His Word and His atonement will be dropped as the center of Christianity. False ministers will preach under the direction of another spirit, i.e., the **Kundalini Serpentine Spirit** of Satan.

“Thus says the Lord: "Stand by the roads, and look, and ask for the ancient paths, where the good way is; and walk in it, and find rest for your souls. But they said, 'We will not walk in it,'” (Jer. 6:16).

Remember the Bereans in (Acts 17:11)? Luke wrote that they, *"searched the Scriptures daily to find out whether these things were so."* We all need to do that!

Some clergy may be sincere, but sincerely deceived. Some ministers preach that you do not need to keep the Ten Commandments they falsely equate obeying God's law with salvation by works! But if any minister tells you that you do not need to obey God, ask him if he approves of disobedience or rebellion against God. The Apostle Peter wrote, ***"For the time has come for judgment to begin at the house of God- and if it begins with us first, what will be the end of those who do not obey the gospel of God?"*** (I Pet. 4:17).

The Apostle Paul also warned those who disobey God's truth. ***"To those who are self-seeking and do not obey the truth, but obey unrighteousness-indignation and wrath, tribulation and anguish, on every soul of man who does evil, of the Jew first and also of the Greek"*** (Rom. 2:8-9). The Bible plainly teaches obedience to the truth, to the gospel, to the Ten Commandments and to God's righteousness. Counterfeit religions are one of Satan's deceptions. He appears as an angel of light, but leads millions away from the light of the Bible.

FALSE LIFE FORCE

Kundalini is depicted as a concentrated form of *prana* or **life force** that lies dormant in a person's body as a coiled serpent. (In Sanskrit language, **Kundalini** means literally that which is coiled).

Another resource describes it: “A concentrated field of intelligent, cosmic invisible energy absolutely vital to life; beginning n the base of the spine as a man or woman begins to evolve in their first incarnation; (this is speaking of reincarnation or returning again and again from death from the other side and come back in the flesh entering a new body but retaining your human spirit).

The Bible does not teach reincarnation. *“And as it is appointed unto men once to die, but after this the judgment,”* (Heb. 9:27). The false doctrine of reincarnation is a damning heresy because it makes people put off their decision of repentance thinking they have many chances of salvation. Also, they are taught that in each lifetime, they grow and eventually they will reach perfection! As I look around the world, I’ve never seen but one soul reach perfection that is Jesus Christ.

We live one time and then we face judgment.

The guru says that that the energy fed by the chakras along the spine and by the cosmic energy entering through the feet from the earth; as wisdom is earned in each incarnation; this electromagnetic, ultra potent energy moves slowly upward through the spine; it is directed by the speed of the soul mind as the soul-mind meets the requirements of each chakra, according t the need and thinking of the individual; eventually this energy is un spiraled through the medulla oblongata, pituitary gland, pineal gland and through the crown chakra to unite with the silver cord; one will ascend to the higher realms to finish the evolutionary cycle ...” 1

Not only does this religion teach reincarnation but it also teaches evolution! Other words, a person will eventually arrive through their own learning of good and evil and arrive into their higher realms through their thinking and with the aid of the Kundalini snake demon coiled in the their spine.

FALSE BAPTISM OF KUNDALINI SPIRIT~ DEMONIC MANIFESTATIONS

Pat Holliday, PhD.

<http://www.miracleinternetchurch.com/>

STRUGGLE – GOOD AND EVIL

Many Christians refuse to try to understand the eternal struggle between cosmic good and evil, darkness and light that has progressed throughout the ages. “Can’t we all just get along, I’m so tired of the divisions, splits and the bickering; the Lord wants us to be in unity.”

Jesus said, (Matt 10:34-36) – *“Think not that I am come to send peace on earth: I came not to send peace, but a sword. 35 For I am come to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law. 36 And a man's foes shall be they of his own household,”* (Jn.8:44-45)

Other words, Jesus came to separate us from the evil powers of the Satanic world and his wicked followers. *“Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it. 45 And because I tell you the truth, ye believe me not.”* (Jn.8:44-45)

It is Satan's plan to join all the faiths of the world to unify to their gods teaching all pathways lead to God. We must be prepared to explain why we are not encouraged to follow every wind and doctrine; or follow men and women who preach another **worldly Jesus who moves by another spirit called Kundalini.**

The goat, ram and pig are consistently associated with the Devil.^[15] Detail of a 16th-century painting by [Jacob de Backer](#) in the [National Museum in Warsaw](#).

SEEK GOD

The Apostle Paul tells us to seek God. *“We preach Christ crucified, unto the Jews stumbling blocks and unto the Greeks foolishness; but unto them which are called, but Jews and Geeks, Christ the power of God and the wisdom of God,”* (II Cor. 1:23).

Jesus came down to earth and lived among men. Jesus also suffered, was crucified and the He died on the Cross for us. You can find Him when seek for Him with all your heart. Many no longer preach about the cross of Jesus or the importance of His sacrifice. *“Jesus said, if I be lifted up, I will draw all men unto me. The problem we face today is, millions have been drawn away to receive another spirit other than the Spirit they had previously received,”* (1 Cor. 11: 4). Paul reproved these Corinthian Christians for receiving another Spirit.[1]

(1 Tim. 4:6, 16), Disciples are to examine every teaching, philosophy, and notion encountered in the light of His holy oracles. In such, the disciple is to identify deceivers, false teachings and practices and **“mark them,”** that is, watch out for and take aim at them, while warning others. The Holy Spirit also says we are to **“avoid them.”** (Rom. 16:17).[1]

Looking closely at leaders from a Bible perspective is a mandate for Christians. Such only becomes a negative when done out of a critical spirit instead of out of love for souls that are entrapped by the bewitching demons and obedience to the LORD; also for keeping of the way of the LORD scripturally true for ourselves and others.

SATAN’S COUNTER-KINGDOM

Obviously Satan’s counter-kingdom is organized,—***“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”*** (Eph. 6:12).

Many American preachers no longer speak about Hell or Satan; and who is Lucifer, a New Age God? The word Satan occurs 56 times and “devil” appears 61 times in the Bible. Why would preachers ignore such serious topic so prevalent in the Bible; to refuse to acknowledge the full counsel of the Holy Writ Acts and spiritually criminal as souls are at stake?

Ignoring the enemy is simply not biblical and has caused the greatest devastation of human souls in history. It is not wise to ignore Satan and his powers of deception and God warns us

“not to be ignorant of his devices (2 Cor.2:11); know our enemy “who walketh about seeking (aggressively) whom he may devour.” The great stealer of souls has power, characteristics/devices shown from Genesis to Revelation. He is a supernatural being that has been given many names; but remains forevermore our arch enemy. Yet, preachers chose to keep him hidden from view from their congregations; thus giving him overwhelming power over their minds to guide them to eternal destruction!"**Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, and seeking whom he may devour: Who resist steadfast in the faith,**" – (I Pet. 5: 8, 9).

MARK THEM

False Teachers & False Prophets Scriptures

False Teachers & False Prophets - Bible Scriptures - shows us the Main Scriptures in the Bible that warn us about the MANY False Teachers & False Prophets in our World today that Preach & Teach a different gospel other than the Teachings of Jesus Christ ([Matt 7:15-20](#), [Matt 24:11,23-26](#), [Mark 13:22](#)).^{viii}

DISCERNMENT

"DISCERNMENT does NOT know the difference between RIGHT and WRONG. It knows the difference between RIGHT and ALMOST RIGHT." —Quote by Charles Haddon Spurgeon, Reformed Baptist Preacher from Britain (1834 - 1892) – (I Pet. 3:15) "SANCTIFY the LORD GOD in your HEARTS, & ALWAYS be READY to give a

DEFENSE to EVERYONE who asks you a REASON for the HOPE that is in you, with MEAKNESS & FEAR."^{ix}

“Mark them” - Beloved, we are mandated to simply and truly hearken to this divinely given instruction, to personally own this truth and walk in it, to be possessed with the protective love of our holy and **“Great Shepherd of the sheep.”** (Heb. 13:20) One of the ways the “Great Shepherd” protects the sheep of His pasture, is by His other sheep, scoping out and marking the wolves whose venomous lies would devour.[1]

“Mark them” – the Greek word here for **“mark”** is *skopeo*, which means “to scope out; to take aim at, consider, watch.”

Believers are here mandated to wisely scope out closely, observe and scrutinize all teachings and spiritual leaders under the lamp of God’s holy Word. We are to closely discern between true and false doctrines and leaders and sound the alarm on that which is found to be inconsistent with holy Writ. This is to be done especially when dealing with foundational, essential truth (which is a salvation issue).

“Therefore I esteem all thy precepts concerning all things to be right; and I hate every false way.” (Psa. 119: 128).

LOOKING FOR A NEW MOVE OF GOD

Christians were looking for a “new move” or God is doing a “new thing” of the Holy Spirit and He was anointing and empowering people for the ministry. The magic touch transfers source of pleasure and gives an immediate feeling of ecstasy and joyfulness; staggering around as in a drunken stupor; falling on the floor; uncontrollably, hysterically laughing; shaking; trembling; falling on the floor. Someone saying the magical words, “More Lord; give more Lord.”

The new move is not a blessing but soon millions will discover this “new thing” is a powerful spirit of deception and delusion called **Kundalini** demon that takes your mind away. It puts you in an altered state of consciousness, like a trance, like a sleepwalker; causing dissociation, which does not appear in all PTSD cases, is "one of the strangest phenomena associated with the disorder," says Frank Ochberg, a clinical professor of psychiatry at Michigan State University. "The idea is that at some point without having full appreciation of what she was doing, she could have moved into an altered state of consciousness, like a trance, like a sleepwalker.

“Few Christians realize that for thousands of years gurus have operated with gifts of healing, miracles, gifts of knowledge, and intense displays of spiritual consciousness as they stretch out and connect with a cosmic power which, though demonic in origin, is very real. The meetings which mystic Hindu gurus hold are called '*Darshan*'. At these meetings devotees go forward to receive spiritual experience **from a touch by the open palm of the hand, often to the**

forehead, by the guru in what is known as the **Shakti Pat** or divine touch. The raising of the spiritual experience is called raising Kundalini.

REQUIREMENTS FOR A RECEIVER

The Requirements for a Receiver

Kundalini: The unique perspective of Siddha Mahayoga is that because **kundalini** is an intelligent force it will, upon awakening, naturally direct the practice of the student. All that is required is that the student completely surrenders to this force. As a result of **kundalini's** unfoldment spontaneous purifying movements, called **kriyas** will occur. It is not uncommon for those with an awakening **Kundalini** to feel themselves overtaken by **powerful astral animals like bears, wolves, lions... or tigers; a shamanistic phenomena which is called "shape-shifting."** Especially for those of who have a shamanic helping of bringing others into the **Kundalini Awakening?** Often guardian demons come into them under the guise of animals. This can be in meditation, in dreams, in a paranormal experience or through an ordinary world experience. One such "helper stated, "I learned that far from being threatening (or proving me crazy), my tiger had been a wholly benevolent protector spirit. In Tibetan lore, the tiger is the guardian of the Gates of Knowledge, and in India, the tiger is sacred to Kali!"

KUNDALINI IS AWAKENED

[Kundalini sleeping coiled](#)

How Kundalini is awakened

“Traditionally, **Kundalini** energy can be awakened through three main practices: **Asanas** (yogic postures), **mudras** (hand positions), and **pranayama** (breath-control exercises)
Grace of the Guru

The accumulated results of devotional practices through several lifetimes; **Awakening Kundalini** through the grace of a Guru is traditionally seen as the best and most natural way of stirring this energy. When **Kundalini** energy awakens through the grace of the Guru, yogic postures, mudras, and breath control exercises do not need to be performed...” way. [6]

In other words a short cut to an **awakened kundalini** is through a Guru or so called holy man...

However, for those who think that Yoga and Meditation are safe for the Christian, carefully note what Philip St Romain, author of *Kundalini Energy and Christian Spirituality* (the title alone is enough to make one gag), and who is described as “at once a practicing Catholic devoted to the life of prayer and the recipient of experiences described by the sages of India”,^x says.. [Emphasis Added]

“**Kundalini energy** in its pure, undifferentiated form is experienced only after the personal and pre-personal dimensions of the unconscious mind have **emptied their contents**. Of course, **kundalini** is the energy "pushing" this cleansing process, and so the emptying of the unconscious is itself a "colored" experience of **kundalini energy**.

It may be said, then, that practices that facilitate the breakdown of Egoic defenses can help to **awaken kundalini**. **The most effective method is a combination of meditation and yogic postures such as those taught in Hatha Yoga**. Also effective are laying on of hands in prayer, certain drug experiences, praying in tongues, near-death experiences, certain ritualized sexual practices (**Tantric sex**), and intensive chanting and/or dancing. If these practices only temporarily puncture the seal of repression between the conscious and unconscious mind, the **kundalini energies** will erupt until the repressive mechanisms are "repaired." Such an arousal, then, is short-lived in comparison with a full-blown awakening, in which at least part of the repressive seal is permanently ruptured. [7]

WHAT IS THE DIVINE TOUCH

What Is Shakti Pat or Divine Touch?

Wikipedia sums it up

Shaktipat or **Śaktipāta** is a Sanskrit word in the Hindu spiritual tradition that refers to the act of a guru or spiritual teacher conferring a form of spiritual "power" or awakening on a disciple/student. **Śakti** translates as spiritual energy and "pāta" as descent, (to fall down). **Shaktipat** can be intermediated by the spiritually enlightened master either by transmission of **sacred word** or **mantra**, **a look**, and a **thought** or **by touch**. The touch is usually given to the **ajna chakra** or **third eye** of the disciple. **Shaktipat** can be transmitted in person or at a distance, through an object such as a flower or fruit, or via telephone or letter.

So the touch is given to the “**ajna chakra** or third eye of the disciple”. In other words to the forehead.

ANGEL OF LIGHT

Satan, the prince of darkness, can appear as an angel of light, not just as the stereotypical dark force of occult worship. The Apostle Paul warned that Satan has his own ministers who appear as ministers of righteousness. That is why we challenge you not to believe us just because we assert some truth. We urge you to go to your Bible to find the truth.

PHYSICAL MANIFESTATIONS

The end results of an awakened Kundalini are:

Along the process of **Kundalini**, there can be extreme emotional outbursts without any apparent cause or source. This is simply the effect of karma releasing. [12]

And **Kriyas** [literally activities] are spontaneous movements that occur after **kundalini awakening**. After a period when the devotee has reached a certain spiritual elevation they begin to shake, jerk, or hop or squirm uncontrollably, sometimes breaking into uncontrolled animal noises or laughter as they reach an ecstatic high. These manifestations are called '**Kriyas**'. Devotees sometimes **roar like lions** and show all kinds of physical signs during this period. Often devotees move on to higher states of spiritual consciousness and **become inert physically and appear to slip into unconsciousness** when they lose sense of what is happening around them. This state is called '**samadhi**' and it leads to a deeper spiritual experience.'

KUNDALINI AROUSAL

In his book ***Kundalini: The Arousal of the Inner Energy***, Ajit Mookerjee, an “acknowledged expert on Eastern art and the sacred texts of India” says:

"The ascent of the Kundalini as it pierces through the chakras is manifested in certain physical and psychic signs. Yogis have described the trembling of the body which precedes the arousal of Kundalini, and the explosion of heat which passes like a current through the Sushumna [the supposed channel by which this energy rises through the body]....inner sounds are heard... the head may start to feel giddy... the yogi visualizes a variety of forms... pure light...numerous signs and symptoms may be experienced... as creeping sensations... tingling sensations all over the body; heaviness in the head or sometimes giddiness; automatic and involuntary laughing or crying; seeing visions of deities..."

The chin may press down against the neck; the eyeballs roll upwards or rotate; the body may bend forward or back, or even roll around on the floor... the mind becomes empty... there is spontaneous chanting of mantras or songs, or simply vocal noises

The eyes may not open in spite of one's efforts to open them. The body may revolve or twist in all directions. Sometimes it bounds up and down... sometimes the hands move... some speak in tongues... Sometimes the body feels as if it is floating upwards and sometimes as if it is being

pressed down into the earth... It may shake and tremble and become limp, or turn as rigid as stone.

In the process of the arousal of Kundalini, Muktananda went through an experience of extreme sexual excitement. Not everyone will experience all or even most of these signs. The **Sakti** [foundational consciousness] produces whatever experiences are necessary for the disciple's spiritual progress according to his **samskaras** [impression or fruit of Karmic action] or habit pattern formed by past action". [13]

EFFECTS AWAKENED KUNDALINI

Although the effects of an **awakened kundalini** can vary from person to person, both in form and intensity, the following are common manifestations of the risen **Kundalini** according to the **Kundalini Gateway** site.

Bentley's Kundalini Calling to Open the Star gates for Satan-Part 1 6/29/2008 & 7/13/2008

On 6/23/08 C. Peter Wagner brought about 25 of his 'apostles' to the Lakeland revival for the purpose of endorsing, anointing & 'commissioning' Todd Bentley and to proclaim him as the number one revivalist of the century! The only thing missing was a crown. He was called as 'God's' number one man of the hour. Bob Jones (Todd Bentley's spiritual 'portal to the Third Heaven' mentor) sent 'a word' that 'the poison' against Todd Bentley would end last night. Yes one more false prophecy in the books that will be quickly, collectively forgotten by the Charismatics. One of the 'apostles' prophesied that God has called Bentley to open the 'Portals'

(magical star gates to the ‘Third Heavens’) in every city around the world. One of the main stated goals of this movement is the opening of the ‘Northern Star Gate to the Nations’.

We will be talking about this concept at length in this teaching. Another prophet related that he knew when Todd went through his ‘dark night of the soul’. And who will ever forget Stacy Campbell’s devil manifesting her powerful Kundalini spirit to prophesy over Todd and lay her hand on his stomach to impart the Kundalini serpent devils to him? CHARISMA Magazine | 6/24/08 | ‘Leaders Commission Todd Bentley at ‘Lakeland Outpouring’... The special service was billed by leaders as one of the greatest moments in revival history. ‘C. Peter Wagner said to Bentley on the platform: ‘This commissioning represents a powerful spiritual transaction taking place in the invisible world.’

STRANGE FIRE PROPHETS

Many times, however, only a few have been able to see the reality of their demon possessions before becoming completely enslaved. In the beginning, Kundalina gives them a false sense of ecstasy, euphoria and electrical fire, tingling, false dreams, visions and prophecies. They react with excitement but sooner or later will discover that the devil is not nice and will be tormented and drop into grave despair, hearing demonic voices, tormented with raging nightmares. Their family send them to the doctrine that prescribe powerful drugs that only drop them further down the rabbit hole of despair. They become like the man in the Bible that has legions of demons and believe their only hope is finding a true deliverance minister to drive these forces of demons from them and them filling with Jesus and His Word; God have mercy.[i]

Many Christians are being tormented by Kundalini demons and are simply losing their minds and are being put on psychotropic drugs because they are "bi-polar" or "schizophrenic" which completes the job of the devil totally stealing their minds. There are millions now ensnared by the powers of the Devil while many brainless pastors stand over them fanning them

with their new gospel MANTRA of shouting, “more lord, more lord,” which shows people jerking, twitching, acting like animals; barking like dogs; mooing like cows; howling like hyenas; clucking like chickens; laughing uncontrollably and even having imaginative sexual experiences on the carpets of churches. This insane, feel good gospel may be filling their churches sinful people but it is also filling it with hardcore devils and pay day is just around the corner – EMPTY CHURCHES and God’s judgment!

“The Third Angel followed them, saying with a loud voice If any man worship the Beast and his image, and receive his Mark in his forehead, or in his hand, The same shall drink of the wine of the Wrath of God, which is poured out without mixture into the cup of His indignation; and he shall be tormented with fire and brimstone in the presence of the Holy Angels, and in the presence of the Lamb: And the smoke of their torment ascendeth up for ever and ever and they have no rest day nor night, who worshipped the Beast, his image, or whosoever receiveth the Mark of his name,” (Rev. 14:9-11).

“Here is Wisdom, let him that hath [occult] understanding calculate the Number of the Beast, for it is the number of a Man and his number is Six Hundred and Sixty Six (666). God said to me, dig under the Temple wall and see the wicked abominations which they are doing there. So I went in and saw gold serpents and every sort of idol there, and standing before them were the seventy Elder Priests of Israel worshipping the Sun! And no marvel for Satan himself is transformed into an Angel of Light,” (Rev. 13:18; Ezek. 8:8-16; II Cor. 11:14).

"Resist the devil and he will flee from you," (Jam. 4: 7)..

Many Christians today believe that the coming financial institution enabled by the Antichrist, is in fact already here today. They look to such evidence for their claims as everything from modern bar codes which do appear on every mass produced product sold worldwide, to the more recent technology of electronic chips being embedded underneath human skin. However, both of these technologies we have today will not be a part of that future tech yet to come, but serve as stepping stones, as it were, to get to that point. Bar codes, for example, seemingly fulfill the prophecy in Revelation about 'no one being able to buy or sell, unless he have the Mark of the Beast.' However, despite the fact that every product bought or sold today actually does, in fact, carry the numbers 6-6-6 upon them (see Bar Code photo below), the Revelation Scripture clearly cites that the number, or the name, or the symbol of the Antichrist is what is actually, the Mark of the Beast, and moreover, that same Mark will appear on the person themselves.^{xiii}

The Scripture makes no mention of this same symbol, mark, or name appearing on the actual products, bought or sold, themselves. So, what does the modern UPC code, and its purposefully placed 6-6-6 numbers serve? It does, at least subliminally, get people used to the fact, that everything they buy, or sell, has the numbers 6-6-6 stamped upon it. Therefore, the coming Mark of the Beast is in its early stages, but, it is increasingly, on a smaller scale, being implemented. Christians today also point to such computer microchips, like the [VeriChip, created by Applied Digital Solutions, as being the Mark of the Beast](#), because it can be planted underneath the skin. These early implantable microchips can store 128 characters of information that can be used to store such 'helpful data' as your medical history, financial assets, personal details, banking information, biometric data, etc. Another form and [example of this same technology is being](#)

[used today by a Vancouver man](#), who can easily open doors, turn on lights and access his computer at the wave of his hand. Applied Digital Solutions says that it soon will have a prototype of a more complex device, able to receive signals from global positioning system satellites that can lock on any individual and transmit personal data.^{xiv}

Applied Digital Solutions is also in the process of renaming its patented RFID VeriChip to the "X-Mark" which is already being touted as the next generation of implantable chips to handle a wider range of possible security uses, but it's their choice of the name X-mark itself that proves much more interesting. First, the letter X (*chi* in the Greek) is also the first letter of the Greek word χάραγμα, the same word used *in the Book of Revelation* relating to “**the Mark of the Beast**”. Second, the name Xmark has the English word Mark in it, which is the Revelation word χάραγμα translated into English. Third, their X-mark is an implantable device worn underneath the skin of the right hand, exactly as prophesied, and is already being geared toward a future with it handling all of a person's financial needs whereby they can buy products or services much more easily with it as well as it being used for identification purposes. Certainly Applied Digital Solutions (who have themselves changed their name to *Digital Angel*) knowing or unknowingly is doing its part in fulfilling the Revelation prophecy toward bringing that future Mark of the Antichrist Beast to life, today.^{xv}

Consequently, [HRH Prince William was 'marked' with just such a microchip underneath the skin of his right hand, in 1996](#). Since all modern computer chips are actually made from silicon quartz crystal, scientific advances are being increasingly made into making, not the chip, yet the individual quartz crystal itself store, compute, and remotely send financial data and other personal information to special scanning computers which can then read the crystal's signal output, translate it, and display that information in any number of ways, even from the other side of the world, a frightening concept currently being perfected.

Indeed. Technology always starts off with seemingly benign benefits for the user(s), however, because secular man is its creator, and secular man is under Satan's curse of sin and death, secular man's own creations will always likewise, grow into something very different from its original intent. Even more recently, [has been the release of cell-phone scanning technology and the QR Code](#) that takes a single symbol in the form of a pixelated square, and upon scanning it with any "smart phone," the QR Code then connects a person's phone with an internet page that includes all manner of detailed information for that product.^{xvi}

(1 Jn. 4:1) “Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world.”
