## *What is the "Mandela Effect"?*

Pat Holliday, PhD.

[Patty Alifraghis](#) Facebook says, "Mandela Effect"...false movement starting out there ...to get you to dis-trust God & His pure Holy Word...of the King James Bible ..Do not fall for this witchcraft false belief system started by a witch, *Fiona Broome (2010)*

Inventor of the Mandela Effect New Age Cult *Fiona Broome (2010)*

This website is a project of Fiona Broome. Since 2010, it's been an online journal about real, alternate realities that people may visit every day, but not realize it.

This is called witchcraft friends, also known as **Paranormal Activity. It is witchcraft an act of the Devil manipulating people's minds.**

Ms. Broome says of her spell: "The "Mandela Effect" is what happens when someone has a clear memory of something that never happened in this reality. *Many of us — mostly total strangers — remember the exact same events with the exact same details. However, our memories are different from what's in history books, newspaper archives, and so on. This isn't a conspiracy, and we're not talking about "false memories."* Many of us speculate that parallel realities exist, and we've been "sliding" between them without realizing it. (Others favor the idea that we're

*each enjoying holodeck experiences, possibly with some programming glitches. In my opinion, these aren't mutually exclusive.) This website is about real, alternate history and possible explanations for this phenomenon."*<sup>1</sup>

We take authority over the power of this woman and her magic spell that has been cast over the minds of all Christian Believers that steals their faith in God's Word ... in Jesus' name.

**"This End Times Deception post debunks the Mandela Effect PSYOP, Psychological Operation. It's war on the minds of believers to get them to doubt the King James, the one version of the Bible that people believe that they can rely on. People are saying that CERN was used to travel back in time to make the changes, which then caused our current reality to be different," Candy Henderson**

### **Witchcraft is shown in the Bible**

When Elijah challenged the gods of Baal, he said. "And Elijah came unto all the people, and said, how long halt ye between two opinions? If the LORD be God, follow him: but if Baal, then follow him. And the people answered him not a word," (1 Kin. 18:21). This is the position of church goers in America today. We must make decisions concerning and discerning the powers of darkness that is upon the land.

Elijah asked, [How long halt ye between two opinions?] Literally, "How long hop ye about upon two boughs?" This is a metaphor taken from birds hopping about from bough to bough, not knowing on which to settle. Perhaps the idea of limping through lameness should not be overlooked. They were halt, they could not walk uprightly; they dreaded Jehovah, and therefore could not totally abandon him; they feared the king and queen, and therefore thought they must embrace the religion of the state. Their conscience forbade them to do the former; their fear of man persuaded them to do the latter; but in neither were they heartily engaged; and at this juncture their minds seemed in equipoise, and they were waiting for a favourable opportunity to make their decision. Such an opportunity now, through the mercy of God, presented itself.

"If Baal be god, follow him, if Jehovah be God, follow him."

"And call ye on the name of your gods, and I will call on the name of the LORD: and the God that answereth by fire let him be God. And all the people answered and said, It is well spoken," (1 Kings 18:24).

[The God that answereth by fire] Elijah gave them every advantage when he granted that the God who answered by fire should be acknowledged as the true God; for, since the Baal who was worshipped here was incontestably Apollo, or the sun, he was therefore the god of fire, and had only to work in his own element.

The sun is the hottest at noon. Look at the description of the pagan ritual as shown in (1 Kin. 18:26).

[From morning even until noon] It seems that the priests of Baal employed the whole day in their desperate rites. The time is divided into two periods:

1. From morning until noon; this was employed in preparing and offering the sacrifice, and in earnest supplication for the celestial fire. Still there was no answer, and at noon Elijah began to mock and ridicule them, and this excited them to commence anew.
2. They continued from noon till the time of offering the evening sacrifice, dancing up and down, cutting themselves with knives, mingling their own blood with their sacrifice, praying, supplicating, and acting in the most frantic manner.

[And they leaped upon the altar] Perhaps it will be more correct to read with the margin, they leaped up and down at the altar; they danced round it with strange and hideous cries and gesticulations, tossing their heads to and fro, with a great variety of bodily contortions.

### **Challenging the Authority of the Word of God**

Candy Henderson challenges Christians to awaken to the witchcraft that is being perpetrated by Ms. Broome. The challenging of God's authority goes back to the Garden of Eden, starting with the serpent's challenge to Eve: "Has God indeed said, 'You shall not eat of every tree of the garden'?" (Gen. 3:1). This satanic challenge was twofold: First, did God really say that? And second, God didn't really mean what He said. After all, you won't die if you eat from the tree (vv. 1-5).<sup>2</sup>

Henderson goes on to say, "That twofold challenge continues to assault us today. Best-selling authors tell us the biblical text isn't reliable, that the biblical manuscripts we have in our possession are hopelessly contradictory, and that we can know little or nothing about the real, historical Jesus. Other authors tell us that the Bible is no more than a collection of religious traditions and that God Himself is nothing more than a religious myth.

And now a most dastardly insidious one...the Mandela effect theory that Satan is literally changing words supernaturally on the pages of our 1611 AKJV Bibles in our homes!...God is allowing this insidious lie ...this strategic deception to hit some of us through this PSYOP (psychological op.. strategic mind warfare). They do not discern & pray about and therefore they are deceived...yet..they say we are tares & don't see it...This goes along with the original deception layer in the garden of Eden in the beginning....Didn't God's Word used to say this or that?

For the most part, though, the challenge to the authority of the Scriptures is subtler, and some of it flows out of the deification of man, which says, "The Bible must live up to my standards. I will judge the God of the Bible based on my morality rather than the God of the Bible judging me based on His morality." In short, when the Scriptures contradict our feelings and preferences rather than crucify our feelings and preferences and bow down before God and His Word, we question God's Word."<sup>3</sup>

2 Peter 1:19-21 King James Version (KJV) <sup>19</sup> We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts: <sup>20</sup> Knowing this first, that no prophecy of the scripture is of any private interpretation. <sup>21</sup> For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost.

## **CERN ALTERED BIBLE'S Debunked [Pt. 1] Mandela Effects - Berenstein vs. Berenstain - Isaiah 11:6**

"With the many strange things happening at CERN, rumors of something called the Mandela effect have become very popular in the conspiracy world. The latest craze has been people claiming that the Bible itself has been altered. But is this true? And why would a Christian promote something that sows doubt?" <sup>4</sup>

Many Christians believe that the Bible has been changed as they remember Isaiah 11: 6, as the lion

(Isaiah 11: 6) has always been wolf and the lamb. There was no Mandela Effect ... only an attack to deceive. The poets, the painters, and the cherry pickers are the ones who failed us

lies down with sheep and they produce a painting showing the lion and lamb together. This is a false memory. The King James Version never said this... It says the wolf will dwell with the lion."

**"How should we understand the Lion and the Lamb passage?"**

**Answer:** Typically, when someone is thinking of the "lion and the lamb," [Isaiah 11:6](#) is in mind due to it often being misquoted, "And the wolf will dwell with the lamb, and the leopard will lie down with the young goat, and the calf and the young lion and the fatling together." The true "Lion and the Lamb" passage is [Revelation 5:5-6](#). The Lion and the Lamb both refer to Jesus Christ. He is both the conquering Lion of the tribe of Judah and the Lamb who was slain. The Lion and the Lamb are descriptions of two aspects of the nature of Christ. As the Lion of Judah, He fulfills the prophecy of [Genesis 49:9](#) and is the Messiah who would come from the tribe of Judah. As the [Lamb of God](#), He is the perfect and ultimate sacrifice for sin.<sup>5</sup>

The scene of [Revelation 4-5](#) is the heavenly throne room. After receiving the command to write to the seven churches in Asia Minor, John is "caught up in the spirit" to the throne room in heaven where he is to receive a series of visions that culminate in the ultimate victory of Christ at the end of the age. [Revelation 4](#) shows us the endless praise that God receives from the angels and the 24 elders. Chapter 5 begins with John noticing that there is a scroll in the "right hand of him who was seated on the throne." The scroll has writing on the inside and is sealed with seven seals.<sup>6</sup>

"What they have done is they took many things that the masses thought were true and used it against us to make us think it actually was and that we are somehow living in another reality. I'm going to debunk each and every example that I posted with hopes that the ones that still believe in this will not give into this deception any longer. This is deep psychological warfare and we need to be aware of Satan's devices."<sup>7</sup>

"Well guys, it's been a tough 3-4 days for me. I barely slept Saturday evening and Sunday at work, I felt like I stepped into the Matrix. But suddenly, people like Joshua Busby and others were coming up with resources debunking mistruths and at first, I was a little upset because I was convinced it was true. But when I woke up on Monday morning, the Holy Spirit told me that this is all a lie.

I began researching and looking over God's Word again and concluded that I had been tricked. This is the type of mind tricks that magicians and mediums will do to freak your mind out. It's pure psychological trickery. Nobody went back in time and changed anything. God's Word hasn't changed... Rest easy friends."

Some Deluded People are saying that CERN was used to travel back in time to make the changes, which then caused our current reality to be different. 8

### **Debunking the Mandela Effect PSYOP**

#### **Mandela Effect PSYOP**

"After further examination, time with God, and fellowship with trusted brethren, I must say that I do believe this is all a demonic PSYOP to make many question God's Holy Word, question their sanity, and also to discredit the truth movement. 9

#### **Time Travel**

Unless you're reading this post from the future, it's June 13, 2016 and according to some Christians, they are now living in some movie like fantasy time warp that has changed the scriptures. Never mind, that Hillary Clinton stole the primary election from Barney Sanders. Trump has won the GOP primary and is facing "Criminal Hillary" for POTUS in November 2016. That I just became an old lady 2016. If they traveled back in time to make the changes in the King James Version of the Bible, then everything would have been changed from that point forward, and everyone would have memories based on their changes and we would know who won the Presidential election in year 2016. One mind captured lady on Facebook claimed that she had been sucked through the time star gate said, "The Rapture of the church is false, it never happened." If we've moved forward in time, how come Obama is still President of the United States and Putin is still President of Russia?

It seems that the Mandela Effect only affects people who see the information on Facebook and YouTube, because the rest of the world has not noticed.

Here is a testimony from Ryan James who had originally proclaimed that the Mandela Effect was true. He follows it with proofs that it is not true.

I'm burdened to share with you what all I've learned since posting about the Mandela Effect last Saturday night. I must say again that I'm terribly sorry for posting about this without examining it further. Like many, I was beyond shocked to see a Scripture that I had known for years was not the way I thought it was in the KJV Bible. I felt like a spell had been cast or somehow history was changed.

After further examination, time with God, and fellowship with trusted brethren, I must say that I do believe this is all a demonic PSYOP to make many question God's Holy Word, question their sanity, and also to discredit the truth movement.

What they have done is they took many things that the masses thought were true and used it against us to make us think it actually was and that we are somehow living in another reality.

I'm going to debunk each and every example that I posted with hopes that the ones that still believe in this will not give into this deception any longer. This is deep psychological warfare and we need to be aware of Satan's devices.<sup>10</sup>

The first student TED talk was by Taryn Honeysett on something called "The Mandela Effect," of which I was unfamiliar. The name comes from the mistaken belief that the great statesman and civil rights activist Nelson Mandela (1918–2013) died while in prison in the 1980s, and it is characterized by a group of people who all misremember something in a similar manner.<sup>11</sup>

The effect gained a cultural toehold in an Internet forum discussion over the proper spelling of a popular children's book and television series called *The Berenstain Bears*, when a number of people insisted the correct spelling was *Berenstein*. (The [series began](#) in 1962, with the first book edited and published by Dr. Seuss—aka Ted Seuss Geisel.) Other examples of The Mandela Effect involve the number of states in the United States (50 or 52, with a sizable number of

people believing it is 52, probably mixing states in the U.S. with cards in a deck), the correct spelling of the word definitely (or definitely), and people's recall of what Darth Vader said in *Star Wars*: "Luke, I'm your father" or "No, I'm your father" (it's [the latter](#), although I too remember it by the more effecting version that addresses the subject).<sup>12</sup>

#### The "Mandela Effect"

Former President Nelson Mandela of South Africa met with US President George W. Bush in the Oval Office in 2005—and yet, according to some people's memories, Mandela died two decades earlier.<sup>13</sup>

### **Alarming Delusions**

It is alarming that many Christians have turned to these unproved fables of Devils and is spending most of their time trying to prove that this powerful witchcraft PSYOP is true. We have enough problems with the great falling away.... The King James has worked for me since 1974 and I've witnessed the power of Jesus around the world.... Just saw a miracle in our church.... a man could hardly breathe and in the name of Jesus by the power of His Word, the man was instantly healed.

It should not surprise that this fallen world, whose ruler is the prince of the power of the air and the father of lies, perfectly resembles characteristics found in the prophecy given for the end time: "For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away their ears from the truth, and shall be turned unto fables" (2 Timothy 4:3-4).

### **End-Time Seduction/Deception**

Paul the apostle foretold a time, when Christ's second coming approaches, that people who claim to be followers of Jesus will no longer seek to understand or follow true doctrine. They will ignore rules given by God to tell them how their creator and Lord want them to live. As a matter of fact, Paul prophesied that these people will be seduced into believing fables—fairy tales—rather than truth. We can certainly see that happening today, in a general sense. That is, the general population of much of the western world, at least, prefers fable to God's truth from His love letter to mankind, the Bible. <sup>14</sup>

Paul's prophecy foretells a time when such preference for fables from the dark side will rage within God's own family—believers in Jesus Christ. The inhabitants of earth demonstrably seek magical formulas, potions, and curses/spells from the dark side, rather than spiritual truth from the heavenly realm.

We can find programs devoted to these sorts of fables every day and night on the TV cable channels across America and on satellite channels across the world. The false teachers—some of these themselves true believers who have been seduced by the siren song of promised riches—lead their audiences toward the deadly shores of luciferin inward-turning lust for the wealth of this fallen world. The siren songs, to which the false teachers/preachers turn the eyes and ears of their followers, in actuality, aren't that different from the seduction offered by the purveyors of pure occultism. <sup>15</sup>

### **The Man of Sin to Be Revealed**

**1** Now we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him, **2** that you be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, that the day of the Lord is at hand. **3** **Let no man deceive you by any means: for that day shall not come, except there come the falling away first, and that man of sin be revealed, the son of perdition;** **4** Who opposes and exalts himself above all that is called God, or that is worshiped; so that he as God sits in the temple of God, showing himself that he is God. **5** Do you not remember, that, when I was yet with you, I told you these things? **6** And now you know what restrains that he might be revealed in his time. **7** For the mystery of iniquity does already work: only he who now restrains will do so, until he be taken out of the way. **8** And then shall that Wicked One be revealed, whom the Lord shall consume with the

breath of his mouth, and shall destroy with the brightness of his coming: **9**Even him, whose coming is after the working of Satan with all power and signs and lying wonders, **10**And with all deception of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. **11**And for this cause God shall send them a strong delusion, that they should believe a lie: **12**that they all might be condemned who believed not the truth, but had pleasure in unrighteousness.

Henderson says, "This End Times Deception post debunks the Mandela Effect PSYOP, Psychological Operation. It's war on the minds of believers to get them to doubt the King James Version.

Paul warned not easily be disconcerted or alarmed by any spirit or message or letter presuming to be from us and alleging that the day of the Lord has already come. **3** **Let no one deceive you in any way, for it will not come until the rebellion occurs and the man of lawlessness (the son of destruction) is revealed.**

#### **Is the Large Hadron Collider dangerous?**

No. Although powerful for an accelerator, the energy reached in the [Large Hadron Collider](#) (LHC) is modest by nature's standards. Cosmic rays – particles produced by events in outer space – collide with particles in the Earth's atmosphere at much greater energies than those of the LHC. These cosmic rays have been bombarding the Earth's atmosphere as well as other astronomical bodies since these bodies were formed, with no harmful consequences. These planets and stars have stayed intact despite these higher energy collisions over billions of years.<sup>16</sup>

Read more about the safety of the LHC [here](#) <sup>17</sup>

#### **Is CERN planning anything for the end of September 2015?**

CERN has no special events planned for the end of September. The Large Hadron Collider (LHC) will be running at its usual collision energy of 13 teraelectronvolts (TeV).

The LHC has been running at this collision energy since 3 June 2015 and had already delivered some 28,000 billion collisions to the large experiments by mid-August. Throughout the rest of 2015, CERN aims to gradually increase the number of collisions, while remaining at the same energy. Read more about gradually increasing the intensity of the proton beams [here](#).

#### **Why is the Higgs boson referred to as the God particle?**

The Higgs boson is the linchpin of the [Standard Model of particle physics](#) but experimental physicists weren't able to observe it until the arrival of the LHC, nearly 50 years after the particle was first postulated. Leon Lederman coined the term 'the God particle' in his popular 1993 book 'The God Particle: If the Universe Is the Answer, What is the Question?' written with Dick Teresi. In their book, Lederman and Teresi claim the nickname originated because the publisher wouldn't allow them to call it 'the Goddamn Particle' – a name that reflected the difficulty in observing the elusive boson. The name caught on through the media attention it attracted but is disliked by both clerics and scientists.<sup>18</sup>

## Cern News Report

### CERN answers your queries about 23 September 2015

#### Is CERN's aim to prove that God does not exist?

No. People from all over the world work together harmoniously at CERN, representing all regions, religions and cultures. CERN exists to understand the mystery of nature for the benefit of humankind. Scientists at CERN use the world's largest and most complex scientific instruments to study the basic constituents of matter – the fundamental particles. Particles are made to collide together at close to the speed of light. This process gives the physicists clues about how the particles interact, and provides insights into the fundamental laws of nature.<sup>19</sup>

#### Why does CERN have a statue of Shiva?

The Shiva statue was a gift from India to celebrate its association with CERN, which started in the 1960's and remains strong today. In the Hindu religion, Lord Shiva practiced Nataraj dance which symbolises Shakti, or life force. This deity was chosen by the Indian government because of a metaphor that was drawn between the cosmic dance of the Nataraj and the modern study of the 'cosmic dance' of subatomic particles. India is one of CERN's [observer states](#), along with the USA, Russia and Japan. CERN is a multicultural organization that welcomes scientists from more than 100 countries and 680 institutions. The Shiva statue is only one of the many statues and art pieces at CERN.<sup>20</sup>

### **What are the shapes in the CERN logo?**

The shapes in CERN's current logo represent particle accelerators. The logo in this form dates back to 1968, when a decision was made to change the CERN logo from the original one, seen [here](#). Some 114 new designs were proposed, many of which used CERN's [experiments](#) as inspiration. The final design used the original lettering, surrounded by a schematic of a synchrotron, beam lines and particle tracks. Today's logo is a simplified version of this. <sup>21</sup>

### **Will CERN open a door to another dimension?**

CERN will not open a door to another dimension. However, if the experiments conducted at the LHC demonstrate the existence of certain particles it could help physicists to test various theories about nature and our Universe, such as the presence of extra dimensions. There is more information [here](#).

### **What did Stephen Hawking say about Higgs potential destroying the Universe?**

Hawking was not discussing the work being done at the LHC.

The LHC observes nature at a fundamental level but does not influence it. Measurements of the boson have allowed us to learn more about the intrinsic nature of the Universe, and it is this that Hawking was discussing. The measured properties of the boson suggest that the Universe is in a quasi-stable equilibrium, though with a lifetime far exceeding anything we can imagine ( $10^{100}$  years). This is explained further in the TEDxCERN talk below:

<http://tedxcern.web.cern.ch/video/2013/what-higgs-might-mean-fate-universe>

### **Why does CERN appear in Google Maps when I type certain keywords?**

Many of these associations have no grounding in fact, and are a possible result of several users renaming locations on their own maps, keyword searches, or from lots of users creating custom maps, which utilize those search terms.

### **Can the LHC have an influence on weather patterns and natural phenomena?**

No. The magnets at CERN have an electromagnetic field, which is contained with the magnets themselves and therefore cannot influence the Earth's magnetic field, or the weather. The strength of the LHC magnets (8.36 teslas) is comparable to the magnetic field found [in PET-MRI scanners \(link is external\) \(up to 9.4 tesla \(link is external\)\)](#), which are regularly used for brain scans.

### **Will CERN generate a black hole?**

The LHC will not generate black holes in the cosmological sense. However, some theories suggest that the formation of tiny 'quantum' black holes may be possible. The observation of such an event would be thrilling in terms of our understanding of the Universe; and would be perfectly safe. More information is available [here](#). <sup>22</sup>

### **Black Magic in the Bible**

In Ezekiel 13: 17-23 Black Magic is discussed: "Now, son of man, set your face against the daughters of your people who prophesy (Psychic people) out of their imagination. Prophecy

against them and say, 'This is what the Sovereign LORD says: Woe to the women who sew magic charms on all their wrists and make veils of various lengths for their heads in order to ensnare people. Will you ensnare the lives of my people but preserve your own? You have profaned me among my people for a few handfuls of barley and scraps of bread. By lying to my people, who listen to lies, you have killed those who should not have died and have spared those who should not live.'" And in verse 20, "Therefore this is what the Sovereign LORD says: I am against your magic charms with which you ensnare people like birds and I will tear them from your arms; I will set free the people that you ensnare like birds. I will tear off your veils and save my people from your hands, and they will no longer fall prey to your power. Then you will know that I am the LORD. Because you disheartened the righteous with your lies, when I had brought them no grief, and because you encouraged the wicked not to turn from their evil ways and so save their lives, therefore you will no longer see false visions or practice divination. I will save my people from your hands. And then you will know that I am the LORD'."

### **Pillows, Kerchiefs, Objects**

The pillows (amulets) and kerchiefs mentioned were objects used in connection with magical practices. An amulet is an object of superstition. It can be defined as "a material object on which a charm is written or over which a charm was said, worn on person to protect the wearer against dangers, disease, to serve as a shield against demons, ghosts, evil magic, and to bring good luck and good fortune." In the ancient world, along with many present day primitive tribes, the carrying of an amulet is a common everyday occurrence. These objects also called fetishes, talismans and charms supposedly to ward off evil spirits or bring luck to the wearer.

### **Soul Trafficking**

Note the mention of hunting the souls of My people in Ezekiel 13. Most people mistakenly assume that witchcraft cannot affect a Christian. They foolishly believe that being born again automatically protects against any kind of curse, spell or hex, etc., sent by people practicing witchcraft. Ezekiel 13 indicates that we are a favorite target of witchcraft practices which is the hunting (catching or snaring) of our souls (mind, will, emotions). Through witchcraft God's people can be brought into bondage, thus becoming captives. Notice key words in this passage which show the effects of this type of magic or witchcraft. To slay! (Ezekiel 13:19). Not only to hunt and snare, but to slay the souls should that not die. There was no reason why these people should die, but through witchcraft they could be slain prematurely. God states flatly that people should not live when they go to a witch to seek help to lengthen their life or be restored in health through magical arts.

In verse 22 of Ezekiel 13 the charge is, "with lies you have made the heart of the righteous sad" Depression comes to the heart of the righteous through magical practices. Other translations state that the heart of the righteous is discouraged or disheartened. The righteous are the targets and these shows the effects of witchcraft on God's people.

### **God's People**

God says in Ezekiel 13:19 that witchcraft will "Turn away My people from me." How many ministers and other Christians have backslidden because of heavy demonic influence induced by witchcraft? Such terrible things can happen to God's people through witchcraft. They can be saddened (depression); they can be ensnared (captivity); they can be slain (premature death); they can be turned away (backsliding).

Remember the things which can happen to God's people (to the righteous) if they are unaware of the perils of witchcraft. They can be brought into a state of oppression or depression; unexplainable sadness, anguish, and heart affliction when there is no reason for feeling downcast or disheartened. Everything can be going well for the Believer. He can be healthy, prosperous and yet be covered with a strange pall of oppression, a dark cloud which settles in from nowhere. It can come from witchcraft!!!

Believers can become ensnared losing the power to make the right kind of decisions. Those who have experience in dealing with witchcraft have seen many killed by occult power. This power can also turn one away from the truth and cause backsliding.

### **Spiritual Warfare**

Jesus is the same yesterday, today and forever!

***"For we wrestle not against flesh and blood, but against principalities, against powers, against spiritual wickedness in high places"*** (Ephesians 6, 10-12). Read and meditate on EPHESIANS 6:10-18.

This is what spiritual warfare is about. Jesus must be the center of a person's life. One must know Him from the power of the Word of God, because of His triumph; His people can win their war. This is why there is such a great attack on the Word of God... without the Word, you'll have no faith, no power. The Bible says King James 2000 Bible and there are three that bear witness in earth, the Spirit, and the water, and the blood: and these three agree in one, 1 John 5:8. Without the Word, you'll lose your foundation for your faith, Jesus.

### **Magic is Spiritual and Dangerous**

Satan and his evil demons are also manipulators of witchcraft and magic. The Mandela Effect is a powerful magic power that uses bewitching spirits to manipulate the minds of those who fall under its spell. On lady said, "I saw the words in my Bible changes as I was reading it." I am a deliverance minister and have seen thousands set free by the power of Jesus Christ and His Word. I can tell you that demons can make people see things that are not real.

I remember a witch stole my book, "Be Free." The cover shows Jesus as a lighted figure holding a sword. The witch thought it was a ghost. After she was saved, born again, she saw the cover as it was painted, Jesus in light holding a sword.

King Saul was rejected by God because he sought after prophecies from a witch. "For rebellion is as the sin of witchcraft and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from being king," (1 Samuel 15:23).

After the King received the word from the witch that an old man came out of the ground, then his spiritual eyes were opened and he saw an impersonating spirit pretending to be Samuel. The witch saw the spirit dressed like an old man... King Saul asked how the spirit looked. The witch described the spirit as an old man and King Saul believe it was Samuel. Then after he believes it, the communication was opened for him to communicate with Samuel.

This was a spirit of deception. God forbids us to talk to the dead. He would not have broken the fidelity of the Scriptures to please a backslidden man.

### **Many in the Church will perish**

Because of a lack of knowledge: Hosea 4:6, "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

Many will perish because they were led away by someone who deceived them. If you know you are disobeying God in an area, repent of this sin, which God views in the same way as witchcraft, and get back in line with the Spirit. If you find yourself in a swirl of confusion and strife, you could be under a spirit of bewitchment, the works of the flesh or a spell. What are the works of the flesh? Galatians 5:19-21 lists them: adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, envyings, murders, drunkenness, revellings, and such like.

Notice that witchcraft is listed right alongside adultery and fornication. Witchcraft is a serious offense in any manifestation. As a work of the flesh, witchcraft violates the First Commandment: "You shall have no other gods before me." The flesh opposes the move of the Spirit and resists all things spiritual. This is a serious struggle because Paul assures us that those who practice witchcraft will not inherit the kingdom of God (see Galatians 5:21).

Turn away and get before the Lord in prayer and fasting. He will open your eyes to see and your ears to hear the truth. If you were under a spirit of deception, repent and ask the Lord Jesus to forgive you...and He will.

The Bible tells us, "**Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; 2 Speaking lies in hypocrisy; having their conscience seared with a hot iron,**" (1 Timothy 4:1-2).

## **DEFENSIVE CHRISTIANS**

America is becoming more pagan and heathen every day. These spirits are daily replacing our beloved Jesus and Christian faith. The marks of paganism are idol worship, ritual is ~ strange religious and they are prevailing. Ignorance concerning God and spiritual darkness are the distinctive features of paganism, (Eph. 4:18). This brand of paganism is causing inhuman acts, Barbarous behaviors, "Do whatever feels good spirit." It's a spirit of lawlessness is pervasive in the Church today. We find indulgences of the animal appetites, (Ephesians 4:19).

Even some Christians are into lustful living, free love and perversions. There is a lack of respect for womanhood, such as cursing, smoking, and drinking. Christians are seeking for "Bible teachers" to teach them the Word of God instead of seeking God and reading the Bible. Many have created Christian Star idols. Countless of these Christian stars have needed to be taught the Word of God themselves. People are ignoring His Bible and refusing His true message revealing Jesus as the center of the Word.

The world is professing that Jesus is dead! Unfortunately they ignore the reality of the spiritual

being called the Devil. He no longer flees from Christians, he has joined them. He attacks them from within the church and outside of the Church. They still desire to remain spiritually blinded to his tactics.

“For this they willingly are ignorant of, that by the word of God the heavens were of old, and the earth standing out of the water and in the water: 6 Whereby the world that then was, being overflowed with water, perished: 7 But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men.” KJV

### **Rescued from Powers of Darkness**

The apostle Paul reports, that **Jesus rescued us from the power of darkness and transferred us from the power of darkness and transferred us into the kingdom of his beloved Son.** He writes in the beautiful poetic language of Jesus in (Colossians 1:13), **describing Christ’s sovereignty.** A passage **celebrates Christ as creator and preserver of the universe, supreme over every creature. He is the head of his body, the church, and the first to conquer death.** Although in Christ **“all the fullness of God was pleased to dwell,”** Paul asserts, it was **ultimately only through his human suffering ~ through “the blood of His cross,”** (Colossians 1:19, 20), **“That he was able to reconcile all things to God and make peace.”**

**Satan’s strategy in these last days is to get you to doubt the reality of Jesus, His Word and His power.** However, for the most part, **entire denominations today operate without the Holy Spirit. They are devoid of the presence of Jesus, bankrupt of all spiritual gifts.** They practice **a form of religion without any power, conviction or saving message. They have cultivated friendship with sin and ridiculing the supernatural by tossing aside all teachings about heaven, hell, repentance and God’s judgment.** They are spiritually weak and cold. The world no longer fears them. **They have no respect, and no influence and on society.**

### **Repentance and Renunciation**

Repentance and renunciation of all the occult, New Age, cult, witchcraft, fornication, adultery, pornography experiences, and also all known sin, (Acts 1:4-14, Acts 26:18; 2 Corinthians 6:17).

“To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me,” (Acts 26:18).

“And what agreement hath the temple of God with idols? For ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people. Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you. And will be a Father unto you, and ye shall be my sons and daughters saith the Lord Almighty,” (II Corinthians 6:16-18).

### **Obedience to God**

Obedience to God and His Holy Word and seeking for power of the Holy Spirit:

Obedience to God and His Holy Word and seeking for power of the Holy Spirit, (Luke 11: 13; 24: 49; Acts 1: 4-14; 2: 38-39; 5: 32).

Total submission to God, walk and live in the Spirit, (Romans s 8:1-2, 8:10, 13-16; Galatians 5: 16-26; Colossians. 3:17).

### **Pray in faith**

James 1:5-8, “If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. <sup>6</sup> But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed. <sup>7</sup> For let not that man think that he shall receive any thing of the Lord. <sup>8</sup> A double minded man is unstable in all his ways.”

Hebrews 11:6, “But without faith it is impossible to please him: for he that cometh to God must believe that he is, and that he is a rewarder of them that diligently seek him.”
